

Prisoner Aid Rebuffed

WASHINGTON (AP) — The Soviet Union has turned down a U.S. request for a joint move to try to improve the lot of American prisoners of war in North Vietnam.

The rebuff from Moscow this week is interpreted in the State Department as fresh evidence of a toughening line on the part of the Soviet government in support of North Vietnam.

This marks a sharp swing away from the Soviet position in February when Premier Alexei N. Kosygin, meeting with British Prime Minister Harold Wilson in London, played an impor-

tant role in seeking to get peace talks started.

The peace mission failed and apparently the Soviets found the failure and their part in it embarrassing because of their rivalry with Communist China in opposing the United States and supporting Communist forces in Vietnam.

Several days ago, U.S. officials said today, the United States asked the Soviet government to use its good offices with the North Vietnamese government to bring about a change in the condition of the POWs — captured American airmen — held by North Vietnam.

The Soviet reply, officials said, boiled down to saying North Vietnam is a sovereign country and the United States should take up its problem with Hanoi directly. The United States does not recognize or have direct relations with Hanoi, but officials said it already had addressed a new appeal to North Vietnam through the International Committee of the Red Cross.

The State Department's figures through April 18 show 128 American airmen confirmed as prisoners in North Vietnam, 52 suspected, and 203 missing — a total of 383.

Bitter Senate Debate Over Vietnam Renewed

Recall Mounted Against foe Of Detroit Mayor

DETROIT (AP) — A recall campaign has been mounted against City Councilwoman Mary V. Beck, a sponsor of a movement to recall Mayor Jerome P. Cavanagh.

The Association for the Political Promotion of Voter Education, announced Tuesday its recall campaign against Miss Beck, charging that she is trying "to get widespread publicity for herself" by seeking ouster of Cavanagh.

Lawrence E. Schultz, chairman of the anti-Beck association and a teacher in Highland Park public schools, described his group as "a small number of doctors, lawyers, teachers and professional people who act as independents and nonpartisan workers."

Charging that Mayor Cavanagh has failed to deal effectively with crime, Miss Beck has been joined in her recall campaign by the Rev. E. T. Bernthal, pastor of Epiphany Lutheran Church, and by salesman Mario A. Secco's Committee for Good Government.

Bombs Rain On Reds At 77,000 Tons In Month

WASHINGTON (AP) — The tactic is bomb, bomb, bomb — and U.S. planes are doing it over North and South Vietnam at the incredible rate of more than 3,000 pounds a minute around the clock.

In March, as the administration quickened its drumbeat of explosive persuasion against Communist targets in the two countries, American planes unleashed 77,000 tons of bombs — a one-month record for the war.

This total is just short of the 80,000 tons dropped in Europe during the average month of the peak year of bombing in World War II.

With the recent intensification of raids over the North and the widening of the approved target list, the April tonnage seems likely to exceed the World War II rate.

Secretary of Defense Robert S. McNamara often points to the bomb tonnage to show that the magnitude of air operations in Southeast Asia "is just unbelievable, fantastic in size against any previous standards."

The 77,000 tons in March compares with 29,000 tons per month spilled against the Japanese at the height of World War II operations in the Pacific, and with 17,000 tons a month dropped during the Korean War.

The bulk of the effort is directed at North Vietnam, although airpower is used on an unprecedented scale to support ground operations in the South.

In various configurations and sizes — from 250 pounds to one-tonners, plain impact types to delayed fuses — bombs are hitting virtually anything directly or indirectly associated with Communist operations in South Vietnam.

This includes roads, highways, bridges, railroads, trucks, boats, barges, fuel tanks — and most recently major power plants and MIG fields in North Vietnam.

Destruction is not the only reason for the bombing.

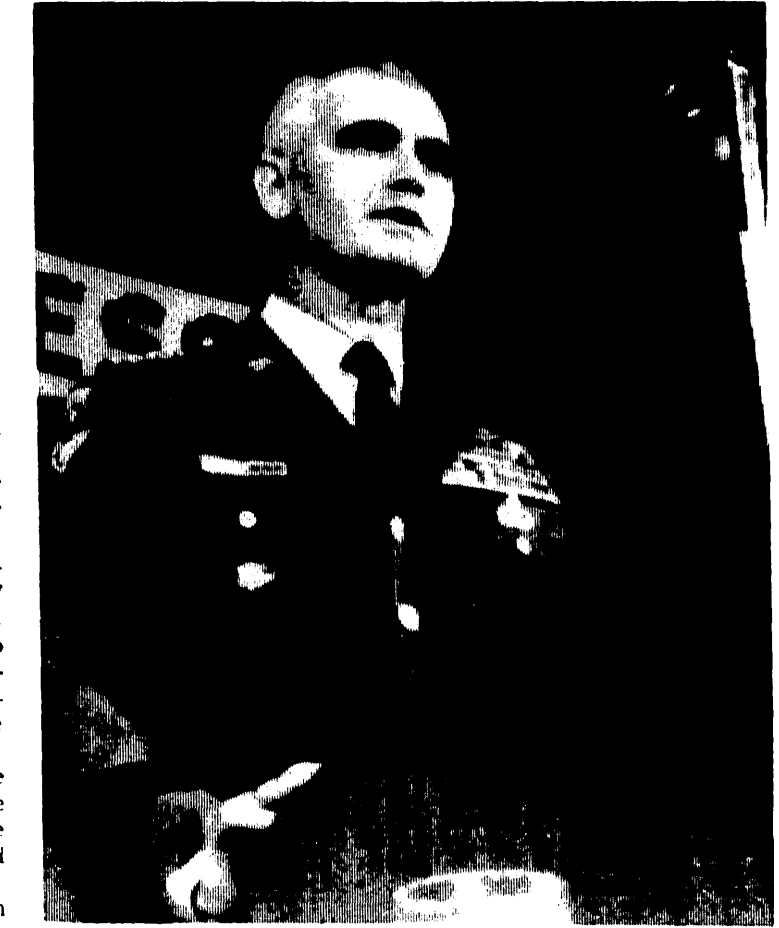

Although no administration official has ever stated publicly that U.S. planes are being used to terrorize North Vietnam, Air Force Secretary Harold Brown said pointedly in a major policy speech last December:

"All of these targets are hostages to U.S. airpower which operates over North Vietnam every day. That power can be increased to a much higher level if it is concluded, on balance, that this will contribute to the attainment of our objectives."

"It is also a constant and visible reminder to the people of North Vietnam that their leaders cannot avoid the cost of aggression."

Still, administration spokesmen say the chief consideration in the selection of targets is the question of how many civilians might be killed. Policy is to avoid, or at least minimize, damage to the population.

The massive reliance on bombs forced the Pentagon to order full speed ahead on production last year, so much so that now the brakes are being applied.

GEN. WILLIAM C. WESTMORELAND speaking at the annual Associated Press meeting in New York City, warned that antiwar protests in the United States will spur Communists to push aggression in Vietnam. He said American troops in Vietnam "have earned the united support of the American people." (AP Wirephoto)

Westmoreland Talk Assailed As Aid To LBJ

WASHINGTON (AP) — The Senate has erupted into bitter, renewed debate of the Vietnam war with Gen. William C. Westmoreland's forthcoming address to Congress providing the spark.

Senate critics of U.S. policy charged Tuesday that Westmoreland, American military commander in Vietnam, was being used as a propaganda tool by the Johnson administration. Backers of administration policy said the debate itself feeds North Vietnamese hopes for final victory.

Chairman Richard B. Russell, D-Ga., of the Senate Armed Services Committee, disputed in an interview today contentions that President Johnson is using Westmoreland's current visit home to silence dissent to war policies.

Russell said Westmoreland, scheduled to address a joint meeting of Congress and to brief governors at the White House Friday, is giving a "well-reasoned assessment" of the war situation.

Home Dissent Dismaying

Westmoreland told the annual meeting of The Associated Press in New York Monday that he sees no end to the war except by exerting maximum military pressure to grind the enemy down. He said U.S. fighting men are "dismayed" by "unpatriotic acts" of dissent at home that give the Communists hope they can win politically what they can't by force.

"You can't please some people," Russell said. "If the President brings the general home to report on the war, that's propaganda in their minds. If he doesn't bring him home, there's a credibility gap."

"I know of no one better qualified to tell the American people what's happening in Vietnam. I think Gen. Westmoreland is giving a well-reasoned assessment of the situation."

Replying to a suggestion in the Senate Tuesday by Sen. Stephen M. Young, D-Ohio, that Westmoreland will call for 100,000 more American troops in Vietnam, Russell said he expects some increase in troop strength but declined to be more specific.

Need More Troops

"The North Vietnamese are committing increasing numbers of their regular troops to the war," he said. "As long as they continue to do that and until their ability to do that is destroyed, we will need more troops."

Led by Sen. J.W. Fulbright, D-Ark., critics coupled fresh attacks on Johnson's policies with suggestions the President had brought Westmoreland home to flatten dissent to his course.

The critics saw ominous signs that Communist China and the Soviet Union may be brought together to react against U.S. military pressure.

Fulbright, chairman of the Senate Foreign Relations Committee, complained that Westmoreland's indictment of war critics was meant "to shut up" dissenters.

Expect Red Reaction

"This criticism of dissent will lead to charges of disloyalty and then to muddled-headedness and then to treason," Fulbright said to his colleagues.

He forecast a drive for vastly increased manpower in an effort to win a military victory in Vietnam and Sen. Robert F. Kennedy, D-N.Y., agreed this could lead to World War III.

"As surely as we are standing here," the Soviet Union, the Chinese Communists and North Vietnam will have to react to what we have done by acting themselves," Kennedy said of this week's U.S. air strikes against jet fighter bases in North Vietnam.

Highway Savings

LANSING (AP) — The State Highway Department reports new methods and procedures resulted in a saving of \$1.02 million during the last fiscal year. Largest saving was \$540,000 through a change in the construction division resident engineer program. The number of employees required under the new program was cut by 90 to account for most of the saving.

Flaming Plane Falls In Sea; 1 Survivor

NANTUCKET, Mass. (AP) — A flaming radar picket plane with 16 men aboard plunged into the Atlantic Ocean Tuesday night after the pilot apparently tried to avoid hitting homes on Nantucket Island.

"I am convinced that this boy was fighting desperately to get it to the water and avoid this summer colony," said Albert L. Manning, one of three private pilots who agreed that a last-minute maneuver kept the craft from striking the island.

"It skidded along the water for about 4,000 feet and when it hit there was this huge burst of fire and a big red fireball," said Rene A. Orleans, "I'd never seen anything like it."

At the controls of the four-engine Super Constellation when it went down about a half-mile off shore was Col. James P. Lyle, 47, commander of the 531st Airborne Early Warning and Control Wing at Otis Air Force Base in Falmouth.

The navigator of the craft, Lt. Joseph H. Guenet, 29, was rescued by a search helicopter shortly after the crash.

Two bodies were recovered and a night-long search by Air Force and Coast Guard units was intensified at dawn.

Officials at Otis said they had reports before the crash that the crewmen were manning individual life rafts for a ditched landing at sea, but there were doubts that many could have survived the explosion.

If the crewmen were able to don their rubber suits and escape in the life rafts, they could survive at sea "for a considerable period of time," Col. John M. Konosky, wing vice commander, told a news conference at Otis.

Third In Two Years

The crash was the third fatal plunge in less than two years involving Otis radar planes, which fly air defense missions between Newfoundland and Bermuda. The propeller-driven craft cost \$2.5 million and carry additional millions worth of radar equipment.

Manning, chairman of the is-

land's Airport Commission, and two pilots airborne near the island airport — Orleans and Michael Lamb — said Lyle apparently made a last-minute decision to ditch at sea instead of risking a fiery landing at the airport.

The craft was less than 10 minutes out of Otis and carried about 7,330 gallons of fuel.

Reported Fire

Eight minutes after takeoff, Lyle had reported fire in his No. 3 engine — the one close to the fuselage on the right side — and said he would try to land at the island airport, Air Force officials said.

U. S. NAVY ENSIGN James W. Laing, Iowa City, Ia., is ejected from his F4B Phantom jet over Tonkin Gulf off North Vietnam. He shot down a Communist MIG17 in raid on Kep airfield near Hanoi and was returning from mission with pilot Lt. Comdr. Charles E. Southwick of Del Mar, Calif., when both had to eject because of no fuel. Both were rescued. Picture made by Lt. (jg.) Garry Anderson of Kane, Pa., who carries a 35mm camera on air strikes as a hobby. (AP Wirephoto)

Police Get Grant

WASHINGTON (AP) — The Pontiac Police Department will receive a \$14,911 federal grant to set up a program aimed at better relations between police and boys aged 14 and 15. Thirty boys will take part in the summer program.

Culture Rainbow

EAST LANSING (AP) — Some 10,000 visitors are expected to attend the 23rd annual International Festival May 13 at Michigan State University. The festival, staged by foreign students at MSU and sponsored by the university's International Club, will be based on the theme "Rainbow of Cultures."

Teamster Vote Close; Consider Mail Ballot

WASHINGTON (AP) — Teamsters Union says the membership vote on a proposed national contract may be indecisive enough to force a second balloting.

Frank Fitzsimmons, Teamsters general vice president,

said Tuesday union members whose votes have been counted so far "are voting a majority" to accept the proposed pact.

But he indicated large numbers of the 450,000 Teamsters involved are not voting, and added: "If a substantial number of employees do not vote, a mail referendum may have to be conducted."

Apparent confusion among some Teamsters over whether the contract already had been approved — plus reluctance by some to vote while a trucking strike-lockout continues in Chicago — was generally credited with the low vote.

Chicago Meeting Called

In Chicago, where union members and employers are not part of the national contract, federal mediator C. K. Call summoned leaders from both sides to a meeting in hopes of helping talks.

A new call for an end to the dispute came from Thomas Coulter, spokesman for the Chicago Association of Commerce and Industry, who said the stalemate has "vitally affected commerce, industry and employment" in the nation's second-largest city.

Teamsters struck eight Chicago trucking companies last week. More than 1,000 companies locked out 45,000 Chicago-area truckers early Monday.

The national union-management negotiations produced a tentative agreement on a three-year nationwide contract with wage hikes of 56 cents an hour plus fringe benefits believed to bring the total to 70 cents. Chicago unions want a 90-cent-an-hour package, including fringe benefits. Teamsters now average \$3.32 to \$5 an hour in wages.

No progress was reported Tuesday in new talks aimed at averting a threatened nationwide railroad strike.

Rail Talks Stalled

The six railroad shop unions involved in the dispute said that when they suggested a 6 per cent wage hike was inadequate, "the railroads immediately terminated the conference."

The six unions, whose 137,000 members are scattered among nearly all the nation's railroads, now average about \$2.90 an hour. They have asked a 6.5 per cent pay boost. The companies have offered 5 per cent.

Haile Selassie Visits Eisenhower

LOS ANGELES (AP) — Emperor Haile Selassie of Ethiopia, a visitor in Southern California since Sunday, leaves today for Vancouver, B.C.

The 75-year-old monarch cruised on a yacht in Los Angeles harbor Tuesday, then made a quick trip to Palm Desert to talk with former President Dwight D. Eisenhower.

Robinson Elected

ANN ARBOR (AP) — Stanley Robinson of the University of Illinois was chosen president Tuesday of the National University Extension Association. Robinson was named at the association's convention at the University of Michigan.

Digest Article Gives Escanaba A Backhander

What started out as an explanation of the helpful services of a credit union in Escanaba wound up as a slur on the community.

Urban Steinmetz, director of the Family Life Bureau, a counseling service on domestic affairs whose success has taken its message across the Upper Peninsula and far outside of it, expressed dismay today at the article.

It was, he said, bad enough to have the Credit Union Magazine, published in Madison, Wis., make such a "horrible

perversion" of the material it gathered in Escanaba, but when the Catholic Digest in its current April issue reprinted the piece in a condensed form it compounded the offense.

"Dick Meissner," (director of the Delta Catholic Credit Union, "and I gave the information to a young writer from the Credit Union Magazine," said Steinmetz. "I think he died; his health was poor when he was here" and that someone else transcribed his notes into the article.

"I am sure he planned to

write with a positive approach, but even the stuff that was written regarding our program was impossible. And the Digest article exaggerated even more.

"The problem area was not stressed on in our presentation. We mentioned that we have a good working economy and that there is a seasonal employment problem."

What emerged is the kind of thing that makes a Chamber of Commerce despair, because it presents an image of Escanaba as a community whose people spend their winters in taverns with the temperature 40 degrees below zero and the merchants carrying all their customers until rescued by spring and the credit unions.

Students Mark Secretary Week

Secretarial students at Bay de Noc Community College are observing National Secretaries Week, April 23-29, with visits to local businesses and a luncheon today.

National Secretarial Association chapters across the nation are also observing the week with special activities designed to recognize secretaries in their communities.

Some 25 girls in secretarial science, bookkeeping and shorthand classes at the college will spend half days either Wednesday or Thursday in about a dozen local offices in Escanaba.

According to Miss Delores Samson of the college business education faculty, the girls "will have an opportunity to observe office and secretarial practices during these visits and to meet local businessmen and women for future employment possibilities."

Luncheon Program

To celebrate National Secretaries Day about 30 girls were guests at a special luncheon today at noon in the Sherman Hotel. College secretaries LaVerne Douck, Dorothy Baltic, Theresa Taylor, Virginia Rusch and Karen Olson were guests of the college at the luncheon.

Mrs. Mary Rinehart represented the college administration at the noon program.

Student chairmen of the week's events include Carole Chaudoir and Pat Klimetz, luncheon: Linda Beaudoin and Alice Wren, publicity: and Betty Nelson, Pat Graves and Judy Vietzke, name cards.

Throughout the week the girls are wearing daisy name tags to

call attention to the special week.

Miss Samson was principal speaker at a secretarial students dinner in Marquette today.

"We get so many calls for our secretaries that we can't fill each year," said Miss Samson. "We hope to stimulate interest in the profession by observing this week."

Girls and offices they will visit include:

Sue Meiers, Pam Berg, Mary Dobija and Mary Douck, Mead Corp.; Donna Bittner, Kathy Gustafson and Carol Plante, Clairmont Transfer Co.; Carole Chaudoir and Pat Klimetz, American Timber Homes; Jean Swilund, Michigan Consolidated Gas Co.; Alice Wren and Myrna Groleau, Morley Murphy Co.; Judith Vietzke and Cindy White, Susan Cole and Linda Beaudoin, Eaton, Yale and Towne Co.; Janet Guindon, World Wide Travel Bureau; Sandy Vanlerberghe, Social Security Administration; Jean Anders, St. Francis Hospital; Pat Graves, U. S. Forest Service; Pat Messier, Dr. Vernon Johnson's office; Joyce Cuneo and Jean Scholander, Goodman Division, Calumet & Hecla, Inc.; and Kathy Viaw and Laurel Stendahl, Escanaba City Hall.

The Catholic Digest Article says in part: "Escanaba, on Michigan's Upper Peninsula, is the only over-shipping port on Lake Michigan. It has a population of about 15,000 of which half belong to credit unions. One of the 12 unions is the six-year-old Delta Catholic Credit Union, which shows promise of solving some of the problems caused by fair-and-foul weather fluctuations of seasonal employment."

"Employment always drops sharply when sub-zero comes. The ore carriers freeze in at the docks; railroad cars stand in long, silent lines; and sawmills stop. The men spend their time at a tavern or hanging around the house waiting for spring to thaw out their jobs."

"Wages earned during the productive months are soon spent, and many families are forced to rely on local businesses for credit. As a result, merchants get premium prices for goods and many families enter spring with substantial debt. The long spell of 40 degrees below precipitates family quarrels and other domestic problems."

After setting up this false premise the article tells about the program of welfare services instituted by the Catholic Diocese of Marquette, the Delta Catholic Credit Union and the Family Life Bureau.

RAYMOND NARAMORE, Monroe County Humane Society director, says Barry, a 285 pound St. Bernard is all heart under that mighty pounce. The big dog was brought back to the society's shelter for the second time recently when his owner found out he "hates cats." He's up for adoption again but this time Naramore says to a country home "where he can run." (AP Wirephoto)

Edick Is Rotary Governor-Elect

A momentous year in Rotary will begin July 1 for the Escanaba Rotary Club, with Edward E. Edick of the club serving as District Governor and the local club preparing to host the 1968 district conference.

Edick is a past president of the Rotary Club and was chosen governor-elect at the district convention held in Shawano, Wis., on Friday and Saturday. His election by Rotary International will be formalized at the RI convention to be held at Lake Placid, N. Y., next week.

Edward E. Edick

As incoming governor of District 622, comprising 36 clubs in northern Wisconsin and the Upper Peninsula, Edick will attend the Rotary International session in preparation for taking office at the beginning of the Rotary year July 1. He will be accompanied to Lake Placid by Mrs. Edick.

Edick served as president of the Escanaba Rotary Club in 1959-60 and is presently chairman of its induction committee.

Edick and Mrs. Edick reported to the local Rotary Club Tuesday noon at the House of Ludington on the Shawano meeting.

They described the need for continuing membership increase, the Rotary International consideration of membership classification change, and other organizational matters. They were introduced by Russ Lee, Rotary program chairman.

Escanaba Host

The invitation of the Escanaba Rotary Club to host the next Rotary District Conference has been accepted and the conference will be held here in April, 1968.

The conference will bring several hundred delegates and their wives here from 36 Rotary Clubs in the district. Escanaba was last host to the Rotary District conference in 1959.

He was principal of the Escanaba High School and retired a few years ago.

Attending the district meeting at Shawano from Escanaba were Edick; John A. Lemmer, former district governor; Art Moberg, Don Yost, and Club President Isadore Stein. Mrs. Stein was principal of the Escanaba High School and retired a few years ago.

Jaycees Meet On Saturday

IRON MOUNTAIN—Jaycees from 15 communities throughout the Upper Peninsula will meet here Saturday for their annual Region A convention. The event will be held at the Pine Mountain Ski Lodge with upwards of 150 Jaycees attending.

Fifteen candidates from Lower Michigan chapters will be here campaigning for state Jaycee offices. The election of state officers will take place at the Michigan Jaycee convention to be held at Traverse City, May 19-20.

Registration will begin at noon, followed by District 1 and 2 meetings, "Speak Up Jaycee" contest, program for all Jaycee wives (Jayettes), Region A meeting, election of officers and the evening dinner.

Highlight of the event will be the keynote address by Wendell Smith, current Michigan Jaycee president. Co-chairmen for the convention are Don Beaudoin and Doug Nord.

Bark River

Mrs. Donald VanEnkevort, R.N. of Bark River, returned this week from Grand Rapids where she attended a three day workshop of the National League of Nursing. The workshop was for supervisors of nursing homes and medical care facilities. Mrs. VanEnkevort is supervisor of nurses at Pinecrest Medicare Facilities in Powers.

Mrs. Charles Beckingham is a surgical patient at St. Mary's Hospital in Green Bay. Her room number is 226. Her parents, Mr. and Mrs. Arthur Steen of Moline, Ill., are visiting here.

Mrs. August Schultz of Peronville had minor surgery at Marinette General Hospital in Marinette. Her room is number 304.

Mrs. Robert Bergstrom, Sr. underwent surgery at St. Francis Hospital in Escanaba Friday morning.

The Area Policy Advisory Committee of the local Community Action Area Center will consider routine business at a meeting to be held Thursday at the Spaulding Township Hall at 7:30 p.m.

Chapekis Honored By Seminar Role

Two Upper Peninsula prosecuting attorneys will take part in the seminar for Michigan prosecuting attorneys in Lansing. Edward Quinnell of Marquette will lecture on evidence and Nicholas P. Chapekis of Escanaba will lecture on interviewing the complaining witnesses on case investigation.

Chapekis will leave Escanaba Wednesday and will participate in the activities on Thursday and Friday. The session is sponsored by the National District Attorneys Association and the Prosecuting Attorneys Association of Michigan in co-operation with the U.S. Department of Justice.

Smelt Dipping Has Peaked In Gladstone Area

Smelt dipping in the Escanaba and Gladstone area has been good for the past several days with good catches reported in all streams in the area, the Conservation Department reports. Smelt runs should continue for a few more days, although they have reached their peak.

Persons dipping smelt are warned of the closing of the Days River to the dipping of smelt. Originally the stream was open from the US-2 bridge down to the mouth only. This year that portion has been taken off the smelt dipping list. Therefore, no portion of the Days River is open—it is closed both up and downstream.

Good catches of jumbo perch were reported off Masonville with perch running up to 14 inches in length. Best bait was minnows. Sucker spearing begins May 1 on designated streams.

In the Marquette area some nice rainbow have been reported caught in Lake Superior off the mouth of streams.

In the Munising area trolling in Lake Superior at the mouth of the Anna River has been producing good catches of rainbow, browns and coho. Spawn are the best bait. Trolling at the mouth of Miners and Mosquito rivers in Lake Superior has also produced good catches of rainbow using artificial bait.

In the Chatham area fair success on rainbow is reported on the Laughing Whitefish River and out in Lake Superior off the mouth. Spawn bags are still the best bait. Some catches have been made on the Rock River below the dam and at the mouth on spawn bags. Some nice cohos in the 15 to 17 inch class are being caught in Lake Superior off the mouth of the Rock River and Laughing Whitefish. The blue and silver cleo spoon is the best bait.

Fishing should improve this coming week, with water levels dropping and the water warming up. Roads are fair throughout the Escanaba District and should be improving each day. All inland lakes should be free of ice by April 29 opening of the regular trout season.

Spearing of suckers will be legal in designated waters during the month of May. Anyone wanting to spear suckers can contact any conservation officer or conservation headquarters or station for a list of streams open. "Only designated waters are open, so be sure and find out the location of these waters," suggests Robert W. Timmer district conservation law supervisor.

Honors Banquet

MARQUETTE—Dr. Edgar L. Harden, president of Northern Michigan University, will be the main speaker at the university's honors banquet Tuesday, May 2. The banquet, to be held at 6:30 p. m. in the University Center, will recognize Northern students who have achieved high honors in scholarship, leadership and citizenship. The banquet replaces an honors convocation.

Bay College's Largest Class To Get Degrees

The largest graduating class in the history of Bay de Noc Community College will receive associate degrees in ceremonies Sunday, May 28, in Escanaba, it is announced today by Dr. Richard Rinehart, president.

Ceremonies will begin at 2:30 p. m. in the Junior High School Auditorium.

Fifty-nine students are candidates for a two-year degree this year. In 1966 some 26 students received degrees.

This year's program differs from those in previous years in that the entire ceremony is being conducted by faculty and staff from the college. Commencement speaker will be a student member of the college's first graduating class in 1965 who is receiving a four-year degree from another institution this spring.

A reception in the college student center for students, parents and friends will follow the ceremonies. The College Chorus, under the direction of Mrs. Marie Peterson, will provide music for the program.

Students who are candidates for degrees upon successful completion of programs this semester are:

Escanaba — Jane Beckstrom, Michael Buchanan, Stephen Davis, Marsha Fraddo, Kathleen Frederick, Bonnie Hay, Paul Kangas, Helen Knaus, June LaChapelle, Marcella Lancour, Richard LaValley, Mary Kay Messier, Bonnie Moersch, Catherine Noyes, Mary Olinger, Mary Peterson, James Ritenour, Marvin Coon, James Heirman, Robert Monson, David Prinski, Dennis Reeves, David Skippar, Jan Bast, Mary Baribeau, Dennis Beauvais, William Curtis, Barbara Denny, Mary Dobija, John Erickson, James Fitzharris, Robert Johnson, Lynn Olson, Joseph Reno, Betty Schultz, Har-

old Sheedlo, Thomas Tonkin, Scott Virgo, Candice Swetkis and Steven Soper Jr.

Gladstone — Mary Ellen Larson, Frederick Neurohr, Terry Anderson, Warren Anderson, Bonnie Bittner, Charles Borden, James Soper and Robert Winchester.

Powers — Richard Wells, **Rapid River** — Judith Vietzke, **Garden** — Catherine Winter, **Manistique** — Kenneth Wolfe, **Hermansville** — Donald Tomasi, **Bark River** — Larry Arkens and Garrett Chaney.

Vulcan — Barbara Bedard, **Daggett** — Elmer Busick, **Ensign** — Karen Olson, **Stephenson** — Scott Szapa.

Library Day

HOUGHTON — More than 125 Upper Peninsula high school library student assistants are expected to attend the first annual High School Library Day at Michigan Tech Saturday. Library day is a cooperative project between Tech's library and the Upper Peninsula branch of the Michigan State Library in Escanaba. Speakers include Michael V. Kremitsky, director of Tech's new library, and Mrs. Elizabeth Brown, school library consultant for the State Library in Escanaba.

Germfask

Eldon Kelley returned from Ann Arbor, where he had a medical checkup at the Veterans Administration Hospital there.

Word was received of the birth of a daughter, Vernis Irene, April 2, to former residents, Mr. and Mrs. George Knoll of Grand Rapids. She weighed 5 pounds, 6 ounces. Grandparents are Mr. and Mrs. Abe McGahan of Germfask and Mr. and Mrs. G. B. Knoll of Grand Rapids. The mother is the former Mary Lou McGahan.

Mrs. Robert Metcalf and Mr. and Mrs. George Metcalf and family visited at the home of Mr. and Mrs. Harold Johnson and family at Munising and with the Daniel Smith family at Shingleton Sunday.

Mrs. Lola Losey is visiting relatives at Mount Pleasant.

A public fried chicken dinner was held Sunday at the VFW Hall. It was sponsored by the Edward James Doran VFW Post 8962 and its ladies auxiliary.

A DAGGETT MAN, Charles Donaldson Jr., is the chairman of the Michigan Commission of Agriculture. The officers of the Commission were elected in Lansing recently. Donaldson is the only member from the Upper Peninsula.

Science Fair Trip

ANN ARBOR (AP)—Antoinette Mazik of Temperance and Mark Wiedenbeck of Ann Arbor, both 12th graders, have been awarded an all-expenses-paid trip to the International Science Fair in San Francisco May 9-13. They were chosen from some 200 exhibitors at the Southeastern Michigan Science Fair.

In Michigan Wildlife Perils

Bear Is Most Dangerous

By LEE SIMTS

Wild animals can be dangerous, although not as dangerous as tame animals. Probably the most dangerous animal in Michigan is a "gentle" bull. It is always a "gentle" bull that turns homicidal.

The Michigan Humane Society is distributing a little folder entitled "Safety With Dogs," prompted by recent attacks on children by packs of stray dogs. The most important safety rules are: (1) Dogs should be kept at home, not permitted to run loose, (2) Strange dogs should be left strictly alone, not petted or played with.

If a strange dog approaches you, stand still, face the dog, hands at sides. I might add this to the Humane Society advice; if a dog threatens you, quickly PRETEND to pick up a rock and lift your arm as though you were ready to throw the rock at the dog. Dogs are not very sharp-sighted and almost any dog can be bluff.

A skunk, a fox, a bat can be dangerous if rabies is prevalent. Michigan has a spotty population of massasauga rattlesnakes. They are hard to find and easy to avoid, and they never attack.

There is no other venomous snake in this state.

The most dangerous wild animal in Michigan is the black bear. Over a period of more than 80 years two persons have been killed by bears in this state. A woodsman, picking berries in Cheboygan County, wounded a bear, then fought the bear with an unloaded muzzle-loading gun. Bear and man were found dead a few feet apart. A child was killed by a bear near Brimley in the Upper Peninsula about 20 years ago.

A garbage dump bear, having lost its fear of man, might attack. To get the best advice as to what to do if charged by a bear I consulted the bear's best friend in Michigan, Carl T. Johnson, of Cadillac, chairman of the Conservation Commission.

Carl Johnson fought for years to get recognition for the bear as a game animal. He has resumed his crusade, this time promoting legislation to protect bear cubs.

"A bear might come at you if it thought you were invading its territory," said Johnson. "It's up to you to convince the bear that you are leaving, in a

hurry. Don't try to climb a tree. A black bear can climb much better than a man. Don't run. A fleeing victim invites pursuit. Retreat, as fast as you can, walking backward, watching the bear.

The best way to avoid bear trouble is to stay away from bears. Bear-watching at garbage dumps is a popular pastime. Watch bears from your car; don't get out and approach a bear. A female with cubs is to be avoided anywhere at any time.

The great danger from wild animals is the fear they create. Anyone is safer in any place in the Michigan woods than in a town or on a freeway, boating, bathing or playing golf. There are records of men, lost in the woods, losing their lives because of panic. The first lesson a youngster needs to learn about the outdoors is that on the darkest night in the densest Michigan swamp there is nothing to fear.

SOIL CHECKERS

Instruments used on race tracks to check soil conditions include the hydrometeorograph for soil humidity and the penetrometer for soil density.

BEWARE OF AMATEUR MEDICAL ADVISERS

It seems that almost everybody is eager to practice medicine. Mention having an ailment of any kind and everybody from helpful friends to advertising medicine men offer a treatment. They are like the blind leading the blind.

The fallacy of amateurs is that they only treat symptoms of sickness, not the cause. Only a physician has the knowledge to diagnose what is causing the trouble. Once this is known, a cure more often results. The physician prescribes the particular medicine his long studies and experience decides is best. That is why prescriptions are more effective than patent medicines. We can fill any prescription.

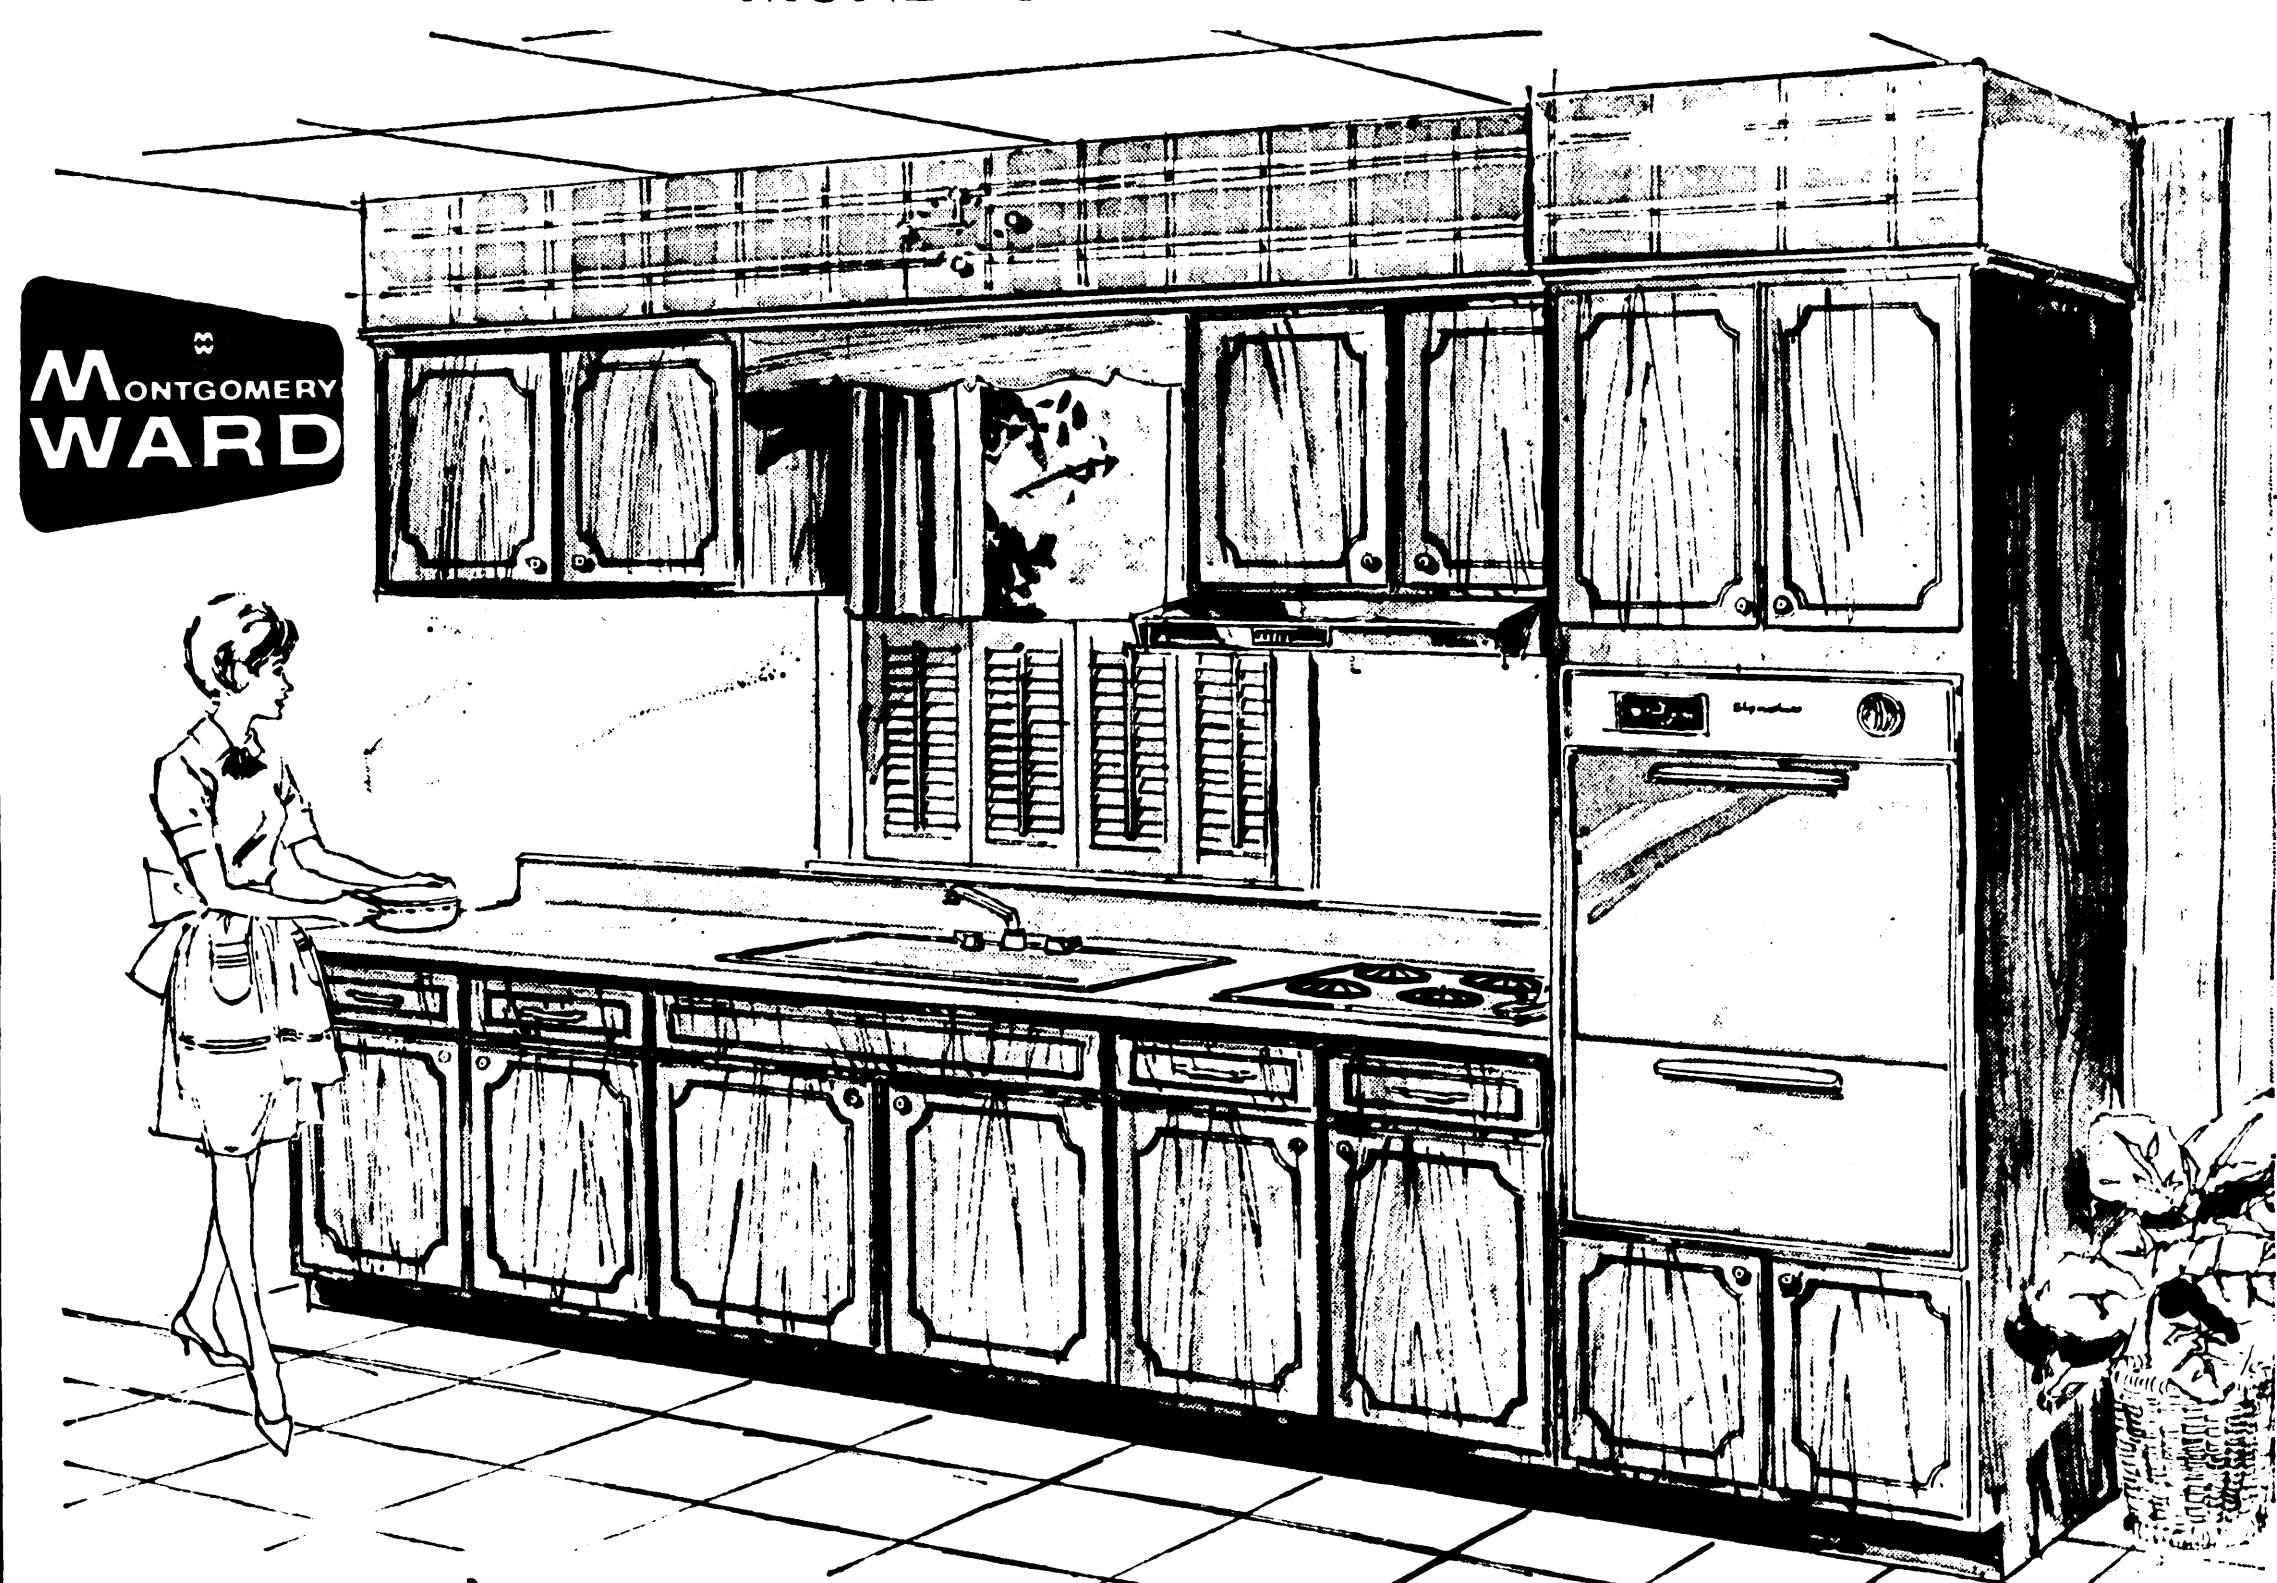

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Anna C. Norton Scholarships Boosted To 18

The Escanaba Area Board of Education at a special meeting Tuesday approved increasing the number of Anna C. Norton scholarships awarded to the graduating class this year from 15 to 18.

One additional scholarship will be presented in each of the three classes from the Norton scholarship fund.

The increase is permitted this year because returns on investments have been increasing the balance available for scholarships. The Board acted on recommendation of the Memorial Scholarship Committee.

Over a four-year college period, Class A scholarships provide a student with \$2,300, Class B with \$1,700 and Class C with \$1,400.

In other action, the Board accepted the bid of U.P. Office Supply of Marquette in the amount of \$32,032 for classroom furniture for the new elementary classrooms being built by the district.

The bid was highest of three received. Northern Stationers of Marquette bidding \$24,844 and McFadden Corp. of Lansing \$28,963.

Supt. Luther M. Barrett said

School Named For Jefferson

The name "Jefferson School" was chosen by the Area Board of Education Tuesday night for the new elementary school under construction on 18th Ave. S.

The Board also decided that the new school at the old Franklin site will be named "Franklin School" and that the name "Washington School" will be retained for the school at that site. In naming the southside school for Thomas Jefferson, the Board said it favored perpetuating the name in the system. Use of the current Jefferson School will be discontinued with the completion of the building program.

Sponsor Hunter Safety Classes

Hunter Safety classes for students ages 12 to 15 will be held under the sponsorship of the Delta County Sportsmen's Club. It is announced by Richard Seibert, club president.

Registration for the safety classes must be made before May 5 at the office of the Upper Peninsula Power Co., 117 Stephenson Ave., between 8 a.m. and 5 p.m., according to Gary Barton, chairman of the safety program.

The registration fee for the course is \$1 and the fee will cover the cost of a safety handbook, shoulder patch, and shells for a target shoot at the close of the training session.

Classes will be held at the Delta County Sportsmen's Club House beginning about the middle of May. The course will require one hour of time evening a week for four weeks. Students will have to furnish their own transportation to and from the club house, which is located one-quarter mile west of U.S. 2 at Gardens of Rest Cemetery.

Students competing the course and passing the examination will receive a certificate of achievement.

The course instructors are Gary Barton, Fred Swank, Tom Grenfell, Jerry Sachinski and Marion Smitley, who are all certified by the National Rifle Association.

The Delta County Sportsmen's Club is providing the training in cooperation with the Michigan Department of Conservation and the NRA.

Briefly Told

Bay de Noc Encampment 174 will meet at 8 p. m. today in the clubrooms.

Veterans of World War I Barracks 1128, Escanaba, and Auxiliary were host to Department Auxiliary President Florence Schingek of Keego Harbor and her traveling companion, Merle Latimer, at a recent meeting. She will return for the District meeting to be held in Escanaba May 19-20. Auxiliary President Doris Martin reported on the gifts of books that have been appreciated by patients at Veterans Hospital in Iron Mountain. A pot luck supper was served.

Bay de Noc

WHILE THERE'S no rush so far, the movement of ore through Escanaba will pick up about May 1 when more ore carriers are put on the run by their owners.

"But we will equal or better last year's 6 1/2 million tons," L. A. McMillan, Chicago & North Western dock agent, said of the prospects for 1967.

The E. J. Block was due today at Escanaba; the Cornelius Dalton and Joseph Block are due tomorrow; the International and Grace on Friday, the E. J. Block will return for another cargo on Saturday; and the Hobson is scheduled for Sunday.

THE SEAFARER'S International Union of North America and its Great Lakes District are launching a full-scale campaign to organize unlicensed seamen of the Pickands Mather and Co. steamship fleet during this shipping season.

The company is the only non-union American steamship operation on the Great Lakes. Pickands Mather employs about 350 seamen on its 15 American vessels, which includes 14 bulk freighters and one self-unloader. It also operates four additional vessels through a Canadian subsidiary.

C. REISS COAL CO. will receive its first coal boat of the season, the John P. Reiss, on Friday. The Reiss will bring a cargo of coal from Sandusky. The second coal boat will be the James E. Ferris, which is tentatively scheduled to come in about Tuesday.

Marathon Oil Co. at Gladstone received a cargo of gasoline and fuel oil from the Venus and the Detroit is scheduled to come in from Chicago on Friday. The Venus cleared for the return to Chicago today.

Theisen-Clemens Oil Co. at Kipling had the Paratex at dock today and is expecting the arrival of the tanker Mobile Chicago from East Chicago at noon.

STUDENTS WHO SOUGHT safety from tornado in Belvidere, Ill., high school flee with parents after twister had struck. A series of tornadoes swept northern Illinois and western Michigan, leaving 53 dead, over 100 injured and property damage estimated at \$50 million. (AP) Wirephoto

Board Members Plan To Retire

Dr. Vernon Johnson and Kenneth Buckland, whose terms as trustees of the Escanaba Area Board of Education expire this year, announced to the Board Tuesday night that they will not be candidates for reelection.

The annual school election is scheduled Monday, June 12, and Supt. Luther M. Barrett said that as of yet no candidates have filed petitions for places on the ballot.

Terms are for four years. Barrett said that candidates must file a petition containing at least 20 qualified signatures of voters in the district by 4 p. m. Monday, May 13, to have their names placed on the ballot. Nominating forms are available at the School Administration Building and must be returned to the building when completed.

Besides Johnson and Buckland, other members of the Board of Education are Mrs. Robert Mosenfelder, Roland Collins, Forrest Henslee, Wheaton Strom and Marvin Marshall.

Gem And Mineral Club Plans Trips

Plans for field trips by the Bay de Noc Gem and Mineral Club will be discussed at a meeting to be held in Room C-214, Escanaba Area High School, at 7:30 p.m. Thursday. Fred Fisher, vice president, will conduct the meeting in the absence of President Don McKie.

The social hour will include reports on the "rock swap" conclave to be held in Escanaba during Fair Week. Persons interested in rock collecting or polishing are invited and those attending are to use the north-east door.

International Rates To Rise

An increase in international surface and air mail rates scheduled to go into effect Monday will not apply to mailings for members of the Armed Forces overseas, Postmaster James E. Pryal said today.

Domestic postage rates are applicable to mail addressed through APO's and FPO's, he said.

The rate increases for both surface and air mail—averaging 13 per cent—were confirmed March 1. The Department said the increase was needed to help offset a deficit of about \$16 million in international mail operations.

Specific information about the new rates is available at the postal service window at the post office, Pryal said.

"Postage rates for surface first class letters and air letters and surface 3rd class type printed matter to Canada and Mexico correspond to U.S. domestic rates, which are set by the Congress, and are not being changed at this time," Pryal said.

State Identifies Oxford Mill Site

MUNISING—The site now under consideration for Oxford Paper Co.'s proposed \$100 million pulp and paper mill in Alger County lies between Five-Mile Point and Au Train Point in Au Train Township.

Although the company has refused to identify any specific site, Oxford has applied to the state for permission to use Lake Superior water in that area for its projected mill operations.

Oxford has requested that it be allowed to use 20 million gallons of water daily to supply a mill that would be located along Lake Superior five or six miles northwest of Munising. The site is federally owned.

The application indicates that water would be pumped from Lake Superior to the mill from a point south of Williams Island and discharged with effluents into Lake Superior at a point near Au Train Point.

While declining to make specific comments on plans for the mill, Oxford officials earlier this month said, "We certainly haven't abandoned the plans" and added that "studies relating to the mill are continuing to go forward."

An announcement by Oxford and Ethyl Corp. earlier this week that the directors of both companies have approved in principle a merger agreement contained no mention of what effect a merger might have on plans for the mill. The merger agreement is subject to approval of stockholders of both companies.

Ethyl is a large manufacturer of petroleum and industrial chemicals, plastics, paper and aluminum products. Under the proposed merger, Oxford would join the paper segment of Ethyl Corp.

Oxford announced last June that it was seriously studying the possibility of building a huge mill in Alger County that would employ about 450 persons, in addition to woods workers. Initially, the mill would produce 400 tons daily of hardwood and softwood, bleached kraft pulp, with paper-

er-making facilities capable of producing Oxford's current grades. The mill would operate 24 hours a day, seven days a week. Ethyl is a kraft paper producer in the South.

Large quantities of wood from holdings of the Cleveland-Cliffs Iron Co. would be utilized to supply the mill.

If constructed, the mill would be Alger County's biggest industrial development since the Munising Paper Co. (now a subsidiary of Kimberly-Clark Corp.) was organized in the early 1900's.

Plan Spacecraft Legion Display

Don Guindon, general chairman, conducted a special meeting of the executive committee Tuesday to continue planning for the Upper Peninsula American Legion Convention which will be held in Escanaba, June 15-18.

One of the highlights of the convention will be a complete mock up of one of the spacecrafts which astronauts use in space flights around the earth.

This spacecraft along with a motion picture detailing the flight will be on display in the House of Ludington garage. One of the famed astronauts is also expected to be present during the parade on Saturday, June 17.

Several marching bands, drill teams and drum and bugle corps have already committed themselves to participate

in the parade and pageant, plus several more units are expected to join the ranks in the near future.

Don Guindon is general chairman and the other committee chairmen are Elmer Olson, executive committee; Les Thompson, secretary; Claude Tobin, parade; Bud Pryal, spacecraft chairman; Elmer Bonifas, publicity, and others attending were Robert Barron, Walter Lewke and Don Koish.

Mrs. E. Jarvi Dies Tuesday

Word has been received here of the death yesterday of Mrs. Edward (Clarice) Jarvi of 551 Court St., Sault Ste. Marie. She is the mother of Mrs. William Suriano of Escanaba.

MANISTIQUE

City Makes Proposal On Putnam Property

The Manistique City Council Monday night made a counter proposal in negotiations with the Board of Education for additional area for a proposed elementary school. The board of education indicated it would accept the city-willed Putnam property, consisting of 5 1/2 lots at Steuben and Cherry St., in exchange for the 8 lots in the present Lakeside school site, with the city and the school board sharing 50-50 in cost of dismantling the old school.

Plan Graveside Rites Here For William Lundberg

Military services are being planned in Ontonagon and graveside services in Manistique for Pfc. William R. Lundberg, 21, formerly of Manistique, who was killed in action in Vietnam. He was with Co. B, 4th battalion, 23rd infantry 25th division. He is a son of Mrs. Robert Letson and the late George Lundberg, and a grandson of the late Mr. and Mrs. Fred Lundberg, and Mrs. Cecil Gonder of Cooks. Funeral arrangements are incomplete.

Illness Claims W. A. Goudreau

William A. Goudreau, 68, of Seoul Choix died Monday night in a hospital at Baltimore, Md., following an illness of several months.

Mr. Goudreau was a retired lightkeeper.

He was born Aug. 11, 1898, in Seoul Choix, the son of the late Mr. and Mrs. Alexander Goudreau. He was a veteran of World War I and a member of Lakeside Lodge 371, F&AM.

His marriage to Margaret Bennett took place in Muskegon June 23, 1925.

Survivors include his widow; a son, Lt. James Goudreau, on leave from the U.S.S. Enterprise; five grandchildren, and three sisters, Mrs. Gladys Hubbard of Manistique, Mrs. Edgar Price of Seoul Choix and Mrs. Jacob Reilly of Cody, Wyo.

Friends may call at Kefauver and Jackson Funeral Home from 3 to 9:30 p.m. Thursday. Services will be conducted at 2 p.m. Friday from the funeral home with Rev. Kenneth F. Connor officiating. Burial will be in Fairview Cemetery.

City Briefs

Mr. and Mrs. George Frankovich have returned home after spending the winter in South Carolina.

Sgt. and Mrs. Gunnor Helston of San Antonio, Texas have returned home after visiting friends and relatives.

Briefly Told

State Police ticketed Barbara L. Pushehl, Saginaw, speeding.

The Manistique Rifle & Pistol Club will hold a supper meeting April 26. Skeet shooting begins at 6 p.m. and a steak supper at 7:30 p.m.

Social

Birthday Party
Mrs. William Sheldon, 306 N. 4th St. was honored Monday evening in a surprise birthday party given by her daughters, Mrs. Bert Kaiser and Mrs. William Adams at the Kaiser home. Games were played and lunch served. Guests were Misses Melvin Cousineau, Alden McLean, Chester Gould, James McLean, Charles Kane, Wendla Slough and Arnold Burns.

Retarded Child Chapter Plans Newberry Visit

The Schoolcraft Retarded Children's Assn. met Monday evening and made plans for a 1 p.m. meeting April 29 in Newberry. Staff members of the State Hospital will be visited and a parents association meeting attended. The local group has nominated officers and directors and is making plans for fun and recreation meetings. In addition to regular business meetings, a film was shown on the handicapped, with Burt Lancaster as narrator. The next meeting is May 29.

Hospital

Admitted to Schoolcraft Memorial Hospital were Guy Arnold, William Donnell, Elmer Stamper, Elsie Metcalf and Rachel Walker.

Discharged were Paul Robinson, James Howland and Guy Arnold.

TV Appearance Wins Job Back Despite Beard

LONG BEACH, Calif. (AP) — Douglas Aircraft Co. has reinstated a worker suspended three weeks ago for wearing a beard. The personnel manager's office maintained a discreet silence but a Douglas spokesman and Christopher Vosburg, the whiskey hydropress operator, gave the credit Monday to television, on which even Douglas officials conceded he looked good.

Vosburg, 24, was suspended April 4 because, Douglas said, his black beard was "distracting." His union, Local 148, United Auto Workers, initiated grievance procedure. Then, more than two weeks later, came a telegram from the company.

"I said, 'You are requested to come back to work on your next normal shift.' Later I got a phone call from Douglas saying officials there had seen me on TV, and I looked all right. I went back April 21," Vosburg said.

Television station KNXT had interviewed him during the suspension.

The matter of the beard appears to be settled — Vosburg still has it — but Ed Wiancki, president of Vosburg's local, said the grievance would be pursued to recover Vosburg's lost wages, about \$300.

Brag Of State

LANSING (AP) — Michigan's amateur radio operators plan to take to the air during Michigan Week, May 21-27, to tell others about their state. Those who make 15 contacts with amateurs in other states or countries will receive a certificate from Gov. George Romney.

Germfask

An Ebenezer birthday dinner honoring Grace Lutheran Churches members having birthdays in March and April was held at noon Sunday at the Seney Township Hall.

The district youth leaders G. A. Edwards and Fred Miller of Sault Ste. Marie, Ontario, Canada, spoke at the 11 a.m. service Sunday at the Reorganized Church of Jesus Christ of Latter Day Saints. A family potluck dinner was served at noon in the church basement.

Frank Smith, son of Mr. and Mrs. J. P. Smith has joined the armed services and left for Ft. Campbell, Ky.

Lance Corporal Robert Berry of San Diego, Calif., is spending a furlough here at the home

of his parents, Mr. and Mrs. Dennis Mannila and other relatives here. His wife will accompany him back to San Diego.

Mrs. Josie Latsch and son, Hubert, and family visited at the home of her daughter, Mrs. Elmer Brock and family at Hiawatha Thursday evening.

Mrs. Lorn Swisher of Howard City brought her father, Edward Thayer, to his home here and will remain for a visit.

Mrs. Herman Lauer and son returned to their home at Pontiac after visiting with her mother-in-law, Mrs. Ethel Lauer and other relatives.

Mr. and Mrs. Louis Bales motored to Standish, where they will visit their daughter and other relatives.

George Kelley of Flat Rock

visited his sister and husband, Mr. and Mrs. John Doran Sr. and other relatives here. He has purchased property from Mr. and Mrs. Charles Niles of Pontiac for a home here.

Mr. and Mrs. Charles Burton and family and Art Smith returned from North Branch where they visited Mr. and Mrs. Lloyd Ferrier.

Mr. and Mrs. Charles Niles and family returned to Pontiac after spending a few days here at the home of her parents, Mr. and Mrs. Ted Ackley.

A Community Action Agency Policy Advisory meeting was held Thursday evening at the Germfask School.

The USS Columbia was the first ship to carry the U. S. flag around the world.

Lukens Blasts Drugs For Reds

WASHINGTON (AP) — Rep. Donald E. Lukens, R-Ohio, has criticized a "hush-hush" meeting April 19 at which a Commerce Department official told drug firms that the Johnson Administration would permit certain drugs to be shipped to Red China.

"Here we go again in our desire to assist the people of Red China by shipping usable military medical supplies which will end up in Vietnam being used by the Communists to murder American boys," Lukens said in a statement. "I think it's outrageous and I intend to oppose it all the way."

Democrats Say War Is Peril To Johnson Chances

WASHINGTON (AP) — Four of five Michigan Democrats voting in an Associated Press poll of congressmen said they believe President Johnson's 1968 re-election chances will be adversely affected if the Vietnam War shows no signs of being resolved by that time.

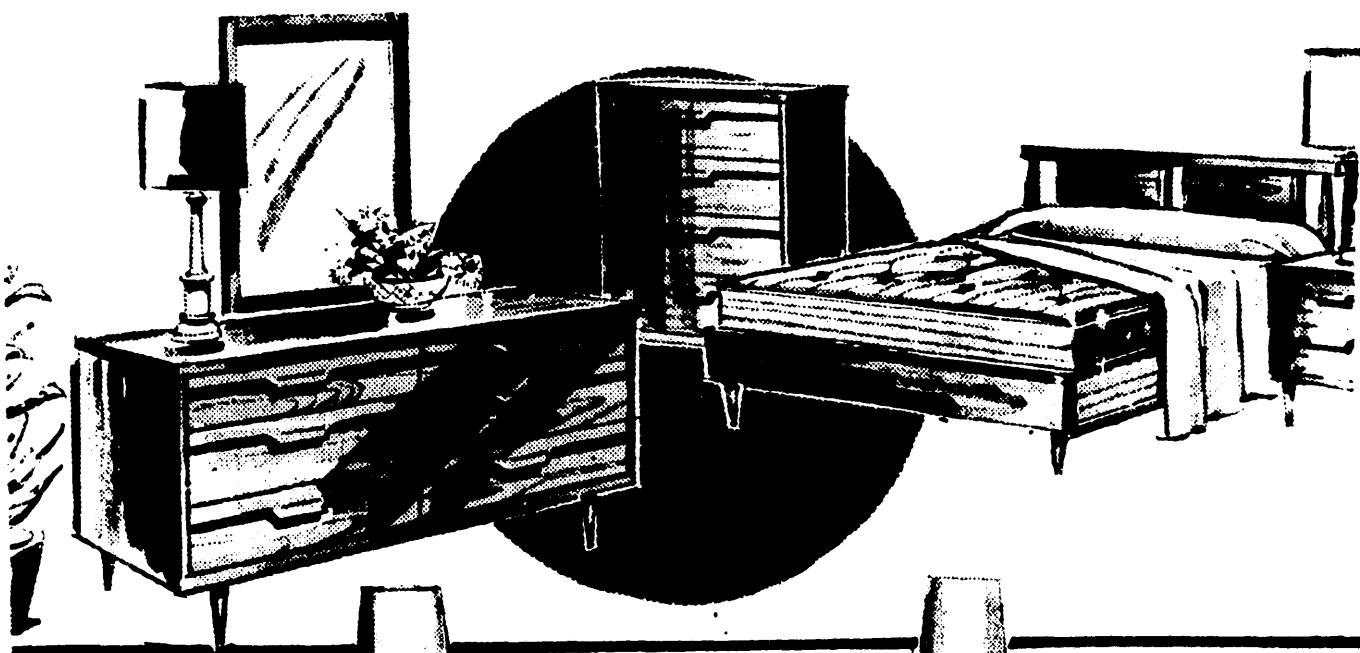

The fifth, Rep. Lucien Nedzi, said "I can't imagine it would do President Johnson any good." Nedzi added, however, he didn't expect the Vietnam War, regardless, to have any "drastic effect on me" in his re-election bid.

Rep. John Conyers said "Buy and sell the classified way."

MR. AND MRS. ROBERT HUPY of 611 Minneapolis Ave., Gladstone announce the engagement of their daughter, Sally Jo, to Bruce McGee Closser, son of Mr. and Mrs. Earl H. Closser, 1 Marquette Drive, Marquette. Miss Hupy is a graduate of Gladstone High School and attended the Institute for American Universities, Air-en Provence, France. She is presently a senior at Augusta College, Rock Island, Ill. Her fiancé attended Duke University and graduated magna cum laude in January of this year from Northern Michigan University. He is presently serving with the U. S. Army. A January 1968 wedding is being planned.

Rapid PTC Talent Show Set Saturday

Fifty young people have entered competition for Rapid River P. T. C. Talent Show. The show will be presented Saturday, April 29, 8 p. m. in the Rapid River High School gymnasium. Jim Pinar, Gladstone High School instructor and radio announcer, will be the master of ceremonies.

Prizes will be awarded first and second place winners in vocal, instrumental and dramatic novelty categories in the elementary and high school divisions. Dance music will be presented during the intermission.

Following the show, the school's senior class will sponsor a pie social and bake sale in the elementary school multipurpose room. Proceeds from

the show will benefit a PTC project, while the social and bake sale proceeds will help finance the senior class trip to Chicago.

Tickets may be purchased from the elementary grade children or at the door. A matinee performance will be presented for the elementary grades Friday, April 28, 1:30 p. m.

Show co-chairmen are Mrs. Frank J. Lundberg and Mrs. Richard Elegre. Arrangements were made by Mrs. Elegre, Mrs. Paul Schram, Mrs. Eli Constantino, Mrs. Waldon Johnson Jr., tickets: Mrs. Oswald Hansen, Mrs. Oscar Olson, Mrs. Bert Sigfrids, decorations: Mrs. Loyal Sigfrids, publicity: Mrs. Bob Oberg, Mrs. Bill Larsen, miscellaneous.

Wedell seals are believed to dive as deep as 1,500 feet in search of food.

Women's Activities

Rock Legion Hosts District Conference

The Rock American Legion Post 559 and its Auxiliary were hosts to the Upper 11th District spring conference on Sunday, April 23 at 2 p. m. The Auxiliary meeting was conducted by Mrs. William E. Butler, Upper 11th district president. Fifty persons were in attendance. All chairmen requested reports to be sent in by May 8.

Area membership chairman, Ruth La Chapelle of St. Ignace, announced there are 12 of 18 quota units in the district, needing only 26 more for a goal district. The Department of Michigan has 97.4 per cent of its goal at this time.

Endorsements were received for Mrs. Margaret Anderson of Sault Ste. Marie for department 1st Vice-President; Mrs. Romaine Roethel, Detroit, for the office of 2nd vice-president, and Mrs. Norma Zeiders of Niles a candidate for dept. historian. District endorsements for Mrs. William E. Butler, President and Mrs. Olive Gifford, district secretary-treasurer. Escanaba was presented by Mrs. Butler, Mrs. Gifford, Mrs. Dorothy Boyle, Cloverland unit 82 president and Mrs. C. Elmer Olsen.

Mrs. Butler reported on the A.L.A. spring executive board meeting held in Lansing, April 15. Mrs. Orlene Penning, A.L.A. department president conducted the meeting and Mrs. Minerva Gitten, Ishpeming, department chairman of the Past President's Parley said eight scholarships and eight alternates were designated. Nineteen applications from Michigan were sent in to be judged for a National scholarship.

Thelma J. Leys, leadership training director announced a leadership workshop will be conducted in the U.P. in the fall.

A smorgasbord dinner was served by the Rock Auxiliary at the close of the meeting.

Trenary

Kristine Kallio is a surgical patient at St. Francis Hospital.

MR. AND MRS. GEORGE L. CHAUDOIR of 610 S. 10th St., Escanaba announce the engagement of their daughter, Carole Jeanne, to Michael James Nelson, son of Mr. and Mrs. LeRoy Nelson of Powers. The bride-elect is a graduate of Holy Name High School and is attending Bay de Noc Community College. Her fiancé is also a student at Bay de Noc. A summer wedding is being planned by the couple. (Lee's Studio)

Spring Rummage Sale In Rapid River Saturday

A spring rummage sale will be held Saturday, April 29 beginning at 10 a. m. at Rapid River Congregational Church Parish Hall. The sale is sponsored by the Congregational Women's Fellowship with sale co-chairmen Mrs. Esther Caswell and Mrs. Charles Bowen.

Beside the usual clothing items, tables will display household and miscellaneous items, and colorful rag rugs made by

the fellowship. Bake goods will also be offered for sale with proceeds benefiting the church young people's camping program.

A light lunch will be served by the Sunday School with arrangements made by Miss Kathy Utterback, Mrs. Tom Safford and the Sunday School classes. Lunch proceeds will go toward the camping fund.

All donations of clothing or bake goods will be appreciated. The public is welcome.

Baptism Service

Baptismal rites were held Sunday, April 23 at St. Stephen's Episcopal Church for Michele Lynn Martineau, daughter of Mr. and Mrs. Donald K. Martineau of 405 S. 8th St., Escanaba.

Rev. Ben Helmer was in charge of the service and sponsors were, AC2 and Mrs. LeRoy Scheeneman of Sault Ste. Marie and Mr. and Mrs. Bernard Ammel Jr. of Escanaba.

Annual Prom Set For Friday In Trenary

On Friday evening the Mathias Township High School students will sponsor their annual prom.

The theme this year is, "April in Paris." The semi-formal dance will be held from 8 p. m. to midnight and may be attended by invitation only. Tickets can be purchased in advance from Paulette Webber.

An invitation is being extended to parents of students and to the alumni. A token admission charge will be made for

anyone desiring to come and observe the dancing. The music will be by the "Versatile" of Escanaba.

Candidates for the queen are Joyce Carlson and Stephanie Cady and king candidates are Ron Begovac and Gary Mills. The coronation will take place between 10 and 10:30 p. m. followed by the grand march.

Members of the prom committee are Joyce Carlson, chairman; Stephanie Cady, secretary; Paulette Webber, treasurer, assisted by Jim Cayer, Diane Ruwilla, Harland Foster, Karen Webber and Diane Carlson. The advisors are Lowell Larson, Mrs. Sylvia Ostanek and Albert Christensen.

3 Days of Bliss can Banish Bulge

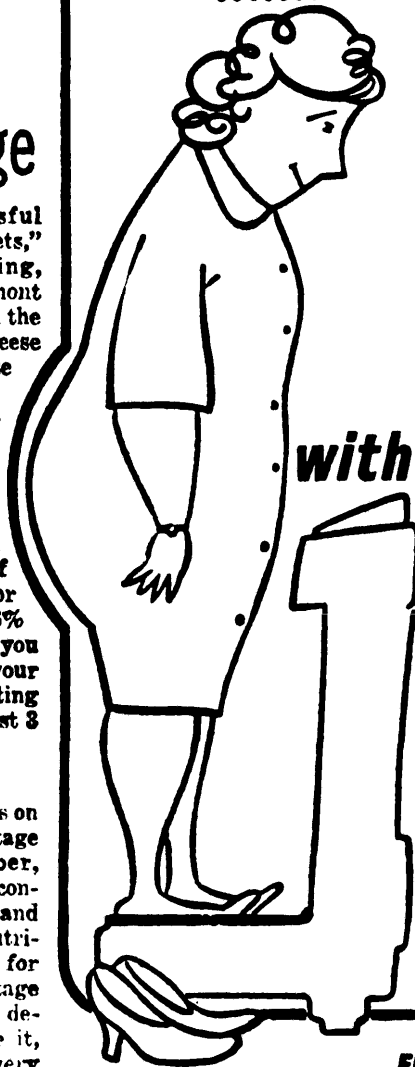

"Our new diet is blissful compared to most crash diets," commented Mary Manning, Chief Dietitian for Fairmont Foods Co., as she described the new Fairmont Cottage Cheese Diet that helps people lose up to 5 lbs. in just 3 days.

"It's very nearly a perfect diet mainstay," said Miss Manning, referring to the role Fairmont Cottage Cheese plays in the new diet. "It provides all of the good nutrients of milk, including the superior milk protein. Yet it's 96% fat-free. And that means you can eat enough to satisfy your appetite while you're melting away up to 5 pounds in just 3 days."

DIET IS FREE

The diet is free and comes on the tops of Fairmont Cottage Cheese cartons. Remember, once you've lost weight, continuing weight reduction and control depend on sound nutritional dietary habits. Look for the amazing Fairmont Cottage Cheese Diet in the dairy department. If you don't see it, ask for it. It's free with every carton.

Today is Wednesday

By Saturday you can lose up to 5 lbs. with the amazing Fairmont Cottage Cheese diet

do pennies make
a difference in
your food bill?

You bet they do.

And we should know.

We built our business by saving pennies
for generations of folks like you.

For instance, take our policy on multiple-priced items.

If an item is priced 3 for 25¢, the price for one is obviously 9¢.

But what happens if you want two?

Do you pay 2 times 9¢ or 18¢?

Not at A&P.

We sell it at 2 for 17¢.

That's the fair way—the A&P way.

Yes, in the food business...

in food budgeting, pennies make a difference.

We watch them for you and for us.

Is this a good reason for shopping A&P? It's one of many.

Ontonagon Boys Killed Together In Vietnam War

ONTONAGON (AP)—They were Ernie and Billy when they fished and hunted, dated and played football and basketball together in this tiny Upper Peninsula community.

But they were Pies Ernest Skinner and William Lundberg when a burst of automatic weapons fire killed them in Vietnam.

"They were very close friends," said Mrs. Robert Leston, Lundberg's mother. "They hunted and fished and went out together. They both were active in sports, all kinds of sports."

"This is a community where everyone is on close terms," she added.

Skinner, 21, was graduated from Ontonagon High School in 1963. Lundberg, 20, a year later. "Billy went in the Army May 3 of last year. Ernie joined a couple of months earlier," Mrs. Leston said.

The two boys wound up being shipped to Vietnam together. "They weren't actually in the same outfit, but they were together," Mrs. Leston said. "Billy was on a machine gun, I know."

Ferency Discloses Romney Plan For S. America Trip

LANSING (AP)—Alleged plans for Republican Gov. George Romney's proposed Latin American trip were "disclosed" Tuesday by an unlikely source—Democratic State Chairman Zolton Ferency.

Without saying how he came by the information, which Romney has not made public, Ferency said the governor planned to be absent from Michigan from May 26 through June 20.

"His tour includes visits to Bogota, Colombia; Buenos Aires, Argentina; Lima, Peru; Rio de Janeiro, Brazil; and Santiago, Chile," Ferency said.

"In addition to visiting those capitals," the Democratic chief said, "his plans include a number of side trips, and he is anxious to spend his time meeting with heads of government, other high officials and various other persons in each country."

Romney has said only that he "tentatively" plans a Latin American tour beginning sometime next month if the Michigan political situation permits.

Ferency outlined what he said were Romney's plans in letters to Lt. Gov. William Milliken, president of the Senate, and House Speaker Robert Waldron.

He asked Milliken and Waldron to support extending legislative deadlines for two weeks, ignoring what he said was Romney's desire to be free to leave the state May 26.

May 26 is the current legislative deadline for final compromise action on bills which have passed both houses.

A resolution extending that deadline to June 16—planned before Ferency wrote his letters—was introduced in the House Tuesday. Speedy House action on the measure is expected to day, but it faces an uncertain future in the Senate.

Reuther Shuns Candidate Ties

DETROIT (AP)—Walter P. Reuther believes President Johnson "in general is doing a good job under extremely difficult circumstances," but the United Auto Workers' leader refuses to commit himself on who he'll support for the presidency in 1968.

AFL-CIO President George Meany several weeks ago committed himself to support the President's re-election.

"I'm not prepared to speculate about the political situation in 1968," Reuther says, adding: "One of the things that bothers me is one day some people in the labor movement condemn the Democratic party and the next day go on a love spree with it—that's rather reckless."

He views commitment this far in advance as "not good labor policy."

Reuther underlined this philosophy several times at the UAW's Detroit convention last week.

The UAW chief anticipates the Vietnam War will have "nothing to do with our endeavor to get economic equity" from the automotive Big Three—General Motors, Ford and Chrysler—in new contract bargaining opening in early July.

"No corporation is going to hide behind Vietnam," he says. "If they try they'll be hiding behind an illusion."

Colorado Eases Abortion Law

DENVER, Colo. (AP)—Gov. John A. Love said his decision to sign a bill liberalizing Colorado's abortion laws was "one of the more important and difficult decisions of my experience in office."

The governor said before signing the bill Tuesday his mail ran to about 5,000 letters and telegrams "about 2,600 against and about 2,400 for the bill."

Love said "the bill itself is completely permissive, not requiring any hospital, doctor, nurse, potential mother or any other person to act in any way to terminate a pregnancy at any time."

Leonard Carlin, president of the Catholic Lawyers Guild of Denver which opposed the bill, said he was disappointed, but not surprised.

"My impression," Carlin said, "was that the (Love) was one of the most enthusiastic supporters of the bill."

Dr. Dana McLean Greeley, Unitarian Church leader, telegraphed Love. "We believe this bill, setting forth certain conditions, for the interruption of pregnancy will be a landmark in American legislation."

Love said the new law requires that abortions be performed only in accredited hospitals and that each operation must have the unanimous consent of a special three-man board of physicians.

Former Senator Diggs Dies In Four Story Fall

DETROIT (AP)—Former State Sen. Charles C. Diggs Sr., the first Negro elected to public office in Michigan on the Democratic ticket, died Tuesday of a four-story plunge.

The body of the 73-year-old funeral director was found on the ground outside a Detroit Memorial Hospital room.

Attendants said he died of the fall from his fourth floor room. Dr. John Burton, Wayne County medical director, ruled the death "an obvious suicide."

Diggs, the father of Democratic Congressman Charles C. Diggs Jr., entered the hospital last week for treatment of a stroke. He had retired five years ago following a similar stroke.

After winning four terms in the State Senate as a Democrat, Diggs switched to the Republican side of the ballot in 1948.

He was convicted in 1948 on bribery charges resulting from racing and small loan investigation. Diggs served 14 months in Southern Michigan Prison.

Diggs was re-elected to the Senate in 1950, but the Legislature barred him from taking his seat.

He was born in Fabula, Miss., and moved to Detroit at age 19.

Obituary

ALEX SOBOLLEWSKI

Funeral services for Alex Sobolewski of Schaffer will be held at 10 a. m. Saturday at St. Michael's Church in Perryville. The Solemn Requiem Mass will be celebrated by Rev. Raymond Smith. Burial will be in St. Michael's Cemetery. Friends may call at the Boyle Funeral Home Chapel in Bark River from 3 to 9:30 p. m. Friday. The parish rosary will be recited at 8 p. m. Friday.

Orr To Manage Esky PCA Unit

The Production Credit Association of Escanaba, which is holding its annual meeting Thursday at Marcor's, announces that General Manager R. B. Spink has been promoted to an office in the Federal Intermediate Credit Bank of St. Paul and that he will be succeeded as manager here by James T. Orr who has been PCA field man at Iron, Wis., for the past two years.

Spink's new position will be as credit representative and examiner for the PCA's discount bank, Federal Intermediate Credit Bank of St. Paul. The Federal Intermediate Credit Bank serves the Seventh Farm Credit District, composed of Michigan, Wisconsin, Minnesota, and North Dakota.

Spink was reared on a dairy farm near Grand Rapids, Mich., attended Michigan State University, graduating in 1960.

He began his career in Production Credit farm financing in 1961 with the PCA of Escanaba.

Spink is married and has three sons, Malcolm, 9, Bradley, 7, and Todd, 3. He will move to St. Paul May 7. His family will join him when school lets out June 1.

Orr grew up on his father's dairy farm near Grantsburg, Wis., and was active in the local F. F. A. chapter and the 4-H club. In 1962 he graduated from the River Falls Wisconsin State University with a Bachelor of Science degree in agriculture and economics. After graduation, he spent 2 1/2 years with the U.S.D.A. in California and Florida as a fruit and vegetable inspector and grader.

Before joining the PCA of Escanaba, Orr received extensive training in farm credit while attending the PCA, Federal Intermediate Credit Bank training program.

Orr and his wife, Mary, have two sons, Bill, 3, and Jim, 4 months old.

Orr is in the National Guard and will be a member of the Gladstone National Guard unit. His family will be living at 1117 Lake Shore Drive in Escanaba.

Adult Learning Cash Need Told

ANN ARBOR (AP)—U.S. Sen. Jack Miller, R-Iowa, said Tuesday adult education is suffering from "financial malnutrition."

Miller told the National University Extension Association that some universities require extension to be self-supporting.

"This prevents the admission of many low-income adults who would seek self-improvement through university extension if they could afford to do so," Miller said.

"Adult education also suffers from an insufficient number of trained educators, inadequate information regarding opportunities, duplication of federal efforts, and state and local neglect," he said.

Miller called for "new approaches to adult and continuing education. The nation needs more programs of independent study which, combined with short residency on the campus, will result in degrees. There is a need to find ways to incorporate past university-level work experience into degree accreditation at both the bachelor and advanced degree level for adults who have held positions of higher responsibility or possess special skills."

Mother Charged In Child's Death

DETROIT (AP)—Mrs. Donna Beck, 18, of Detroit, will be examined May 10 on a manslaughter charge growing out of the death of her four-month-old son following a beating. She stood mute at arraignment Tuesday.

Policewoman Mary Rich quoted Mrs. Beck as admitting she beat her only child, Allen, because her mother had beaten her. Mrs. Beck, earlier charged with child cruelty, was permitted \$1,000 personal bond.

When a similar crime was started privately in Detroit, Police Commissioner Ray Girardin opposed it, saying that the gun might be turned against the store owners.

James T. Orr

Spink was responsible for the branch office at Coleman, Wis. In September, 1964, he was promoted to general manager of the PCA of Escanaba.

Spink is married and has three sons, Malcolm, 9, Bradley, 7, and Todd, 3. He will move to St. Paul May 7. His family will join him when school lets out June 1.

Orr grew up on his father's dairy farm near Grantsburg, Wis., and was active in the local F. F. A. chapter and the 4-H club. In 1962 he graduated from the River Falls Wisconsin State University with a Bachelor of Science degree in agriculture and economics. After graduation, he spent 2 1/2 years with the U.S.D.A. in California and Florida as a fruit and vegetable inspector and grader.

Before joining the PCA of Escanaba, Orr received extensive training in farm credit while attending the PCA, Federal Intermediate Credit Bank training program.

Orr and his wife, Mary, have two sons, Bill, 3, and Jim, 4 months old.

Orr is in the National Guard and will be a member of the Gladstone National Guard unit. His family will be living at 1117 Lake Shore Drive in Escanaba.

Army's Control Rigid In Greece

ATHENS (AP)—Troops were withdrawn from most parts of Athens today as calm prevailed throughout Greece, but the new military government kept the country under tight rein.

The new rulers are acting under a 55-year-old siege law that strips the people of most of the guarantees normal to a democracy.

The law provides for: Arrest of anyone without a warrant and indefinite detention awaiting trial;

No bail for political prisoners;

Bans on gatherings of more than five persons, labor unions and all other organizations;

Censorship of press, radio, letters and all other communications.

The law was bolstered by an army order giving military authorities the right to search private homes; requiring all hunting rifles, shotguns and ammunition to be turned in to the nearest police station; canceling all hunting licenses and forbidding all hunting; and requiring heads of households to report all persons living with them and any visitors or foreigners.

The government announced, however, that it has set up a special office to receive complaints against the new regime.

Young Hoffa Is Nominated

DETROIT (AP)—James P. Hoffa is the Democratic nominee for state representative from Detroit's 19th District.

The 25-year-old son of the jailed president of the Teamsters Union outdistanced 14 rivals in a special primary Tuesday. Admitted to the Michigan bar earlier this year, young Hoffa is a legislative aide in Lansing.

Primary plurality was sufficient for nomination, and Hoffa will meet Republican Anthony Licata in a special election May 23 in the normally Democratic district. Licata had no primary opposition.

In light voting, Hoffa led with 1,429 votes, Casmer Ogonowski was second, with 1,128.

The district has 32,622 registered voters.

The 19th District House seat became vacant with the death recently of Joseph Kowalski, Democratic leader and former speaker.

Highland Park Police Chief William Stephens said Tuesday store holdups have dropped more than 50 per cent since his department started holding gun clinics for store owners.

The program started April 1, when a group of merchants asked for instruction in gun handling.

"We had been averaging about 10 holdups each weekend until the clinics were organized," Stephens said. "Then robberies began falling off immediately and this weekend there was the most dramatic drop, to two holdups."

The chief added, "I feel that if I give a man a permit for a gun, then it's a sin if I don't teach him how to use it."

He said about 35 store owners have gone through the clinic. They were taught how to handle a pistol and when and when not to shoot.

When a similar crime was started privately in Detroit, Police Commissioner Ray Girardin opposed it, saying that the gun might be turned against the store owners.

In Memoriam

Johnson

In loving memory of husband and father, Carl J. Johnson who passed away 4 years ago today, April 26, 1963.

Peacefully sleeping. Resting at last. The world is a better place because he is gone. The trials are past. In silence he suffered; in patience he endured. God called him home to suffer no more. He was loving and kind. In all his ways he was upright and just. To the end of his days. Since we and kind the roll of in heart and mind. What a beautiful memory He has left behind.

WHY DO SOME STAMPS STICK BETTER THAN OTHERS?

No, it's not the glue. The truth is that some stamps are better than others. They do a better job of giving people what they want. The proof is that more people save S&H Green Stamps than any other stamps. And it's been that way since 1896. Other stamps come—and go—but you know that S&H will still be redeeming America's most reliable, most valuable stamps in 1996. That's why the best stores chose S&H instead of some other stamps. And that's why S&H chose the best stores. We knew they would not play games with your thrifty shopping habits. So if you want the best stamps... stick with S&H Green Stamps. They'll stick by you...today...tomorrow...in 1996!!

GLADSTONE

Gladstone H.S. Again Approved By North Central

Gladstone High School has been accredited by North Central Association of Secondary Schools and Colleges, John C. Norton, principal of the school, announced today.

The approval came as a result of an annual report submitted to the association, Norton said. Approval is based on the qualifications of the school staff, library and instructional materials, equipment, subject offerings, school plant and administrative and supervisory services.

Gladstone High School has been continuously on the approved list of North Central Association since 1939.

Armory Meets Set This Week

Rep. Charles H. Varnum (R-Manistique) says the House Committee on Military Affairs will visit two Upper Peninsula cities this week, Manistique on Friday, and Gladstone on Saturday. This marks the fifth legislative committee into the 107th District, Varnum said.

The purpose of the visit will be to discuss the need for appropriations to complete construction of armories in the cities. Varnum added that both cities have appropriated money and donated land for armories, but need additional funds to complete the structures. These buildings will serve the dual purpose of armories and general community centers.

The Military Affairs Committee will be headed by Chairman Philip O. Pittenger of (R-Lansing). Other committee members slated to make the trip include Representatives Varnum, Ford, Jowett, Mahlak, Suski, and Russell Hellman (D-Dollar Bay).

The Committee will also be joined by the assistant adjutant general of the Michigan National Guard for air, Brig. Gen. John Johnston.

PTA Officers Are Installed

Installation of officers, under the direction of Mrs. Carl Olson, president, was conducted at the regular meeting of Central PTA Monday evening at the James T. Jones School.

Mrs. David Nivison is the newly elected historian and Mrs. Chester Badach, first vice president. Appreciation and thanks was extended to the outgoing officers, Mrs. Francis Krout and Mrs. Ellis Movalson.

The group voted unanimously to remain in affiliation with the National PTA Congress. Representatives will attend the workshop to be held in Menominee May 9.

The I. T. A., or Initial Teaching Alphabet program to be used on the first grade level this fall was introduced by a film, "Wuns Upon a Tiem". Parents of prospective first graders will have another opportunity to view this in the near future.

Room count winners were Mrs. Martin Van Donsel's morning kindergarten and Mrs. Conan Fisher's second grade.

The next executive committee meeting will be May 1 and the regular meeting May 15.

Mauhar Named President At Dartball Fete

Tony Mauhar was elected president of the Gladstone Dartball League at the annual banquet at the Legion Hall.

Other officers named were Marcell Verbrigghe, vice president, and West Pease, secretary-treasurer.

Eddy's team was presented with the traveling trophy and Hoppy Cass was appointed chief trophy polisher. The meal was prepared by the Legion Auxiliary and served by the Girl Scouts.

LCW District Meet Thursday

Lutheran Church Women will attend the newly reorganized District Ten meeting Thursday in Newberry. Pastor George Olson, of Rapid River will address the Spring Assembly on "The Church in Social Service."

Dr. Walfred Nelson, of Escanaba, District Dean, will conduct the morning worship and install the newly elected officers. Mrs. Reuben Carlson serves as temporary chairman. The LCW president of the Wisconsin-Upper Michigan Synod, Mrs. Ben Mykkanen of Republic, will also attend. District Ten was formed at the Wisconsin-Upper Michigan Synod meeting last year.

Briefly Told

Gladstone Lodge 396, F&AM will hold a special communication for work in the FC Degree at the Masonic Temple at 7:30 p. m. Thursday. Visiting Masons are welcome to attend.

State Police of the Gladstone Post issued traffic summonses Tuesday to Eugene Plante, Kingsford, no registration or proof of insurance and speeding; Richard Carroll, Perkins, excessive noise; Darrell Valiquette, Rte. 1, Gladstone, careless driving.

Personals

Mrs. Charles Nia, 705 Minnesota Ave., returned Friday from a month vacation in England.

Eaton Prints Attractive Book On Operations

Panorama is the title of a new 28-page booklet just released by Eaton Yale & Towne Inc. to tell the corporate story in full-color photographs and brief captions.

Panorama, by definition "a comprehensive presentation of a subject and all its parts," was chosen from some 200 suggested names to tell the story of this corporation which in 1966 reached nearly \$800 million in sales.

The cover of the Panorama book was reproduced directly from a portion of a five-foot-square abstract painting by Gyorgy Kepes, professor of visual design at Massachusetts Institute of Technology. At the present time the original painting is being exhibited at the Albany Museum of Art.

Copies of the booklet can be requested from the Public Relations Department, Eaton Yale & Towne Inc., 100 Erieview Plaza, Cleveland, Ohio 44114.

Church Events

Family Supper
Trinity Episcopal Church will have a Family Supper at the church Sunday at 6 p. m. All those who have not been contacted may call Mrs. Donald Davidson for further information.

Cancer Drive Reaches \$1,300

The local Cancer Crusade has met with more than usual success with the total amount collected to date reaching \$1,300, according to Mrs. Bernard Olson, co-chairman of the Gladstone drive.

A house-to-house canvass was conducted April 17 under the direction of Mrs. Olson, Mrs. Clifford D'Arcy, Mrs. James Peterson and Mrs. Norman Nelsen.

About 50 women assisted in the canvass and the chairman hailed their efforts. Mrs. Alvin Soderman and Mrs. Peter DeMay worked in the Buckeye district and to Mrs. Joe Butch canvassed the business district.

Covenant Circles Meet Thursday

Combined Circles of Women of Evangelical Covenant Church will meet at the church at 8 p. m. Thursday.

The program has been arranged by Miss Lois Boms and Mrs. O. Augustson and will include vocal selections by Mrs. Reuben Sjoquist and Mrs. Robert Olson. Mrs. Marvin Larson will review "Christian Living and Doing". Mrs. E. C. Olson and Miss Delores Augustson will be the hostesses.

Keith LeClaire Dies Suddenly

Keith LeClaire, 45, of Southgate, Calif., died suddenly April 18 at St. Francis Hospital in Southgate.

He was born March 11, 1922 in Gladstone and attended local schools.

Survivors include his wife, Leone, and son, Gary, at home; four sons by a previous marriage, Tom, Jim, Dan and Steven, of East Chicago, Ind.; his mother, Mrs. Opal Washut, of Nahma; four brothers, Donald, of Gladstone, Frank, Richard and William, of Milwaukee; four sisters, Mrs. Everette (Donna) Cartwright, of Lincoln Park, Mich., Mrs. Wallace (Lillian) Cartwright, Rte. 1, Gladstone, Mrs. Albert (Doreen) Mercer, Jr., Ensign, and Mrs. Dorman (Kathleen) Lyda, of Milwaukee.

Funeral services for Mr. LeClaire were held April 22 at Paramount Mortuary in Paramount, Calif. Burial was in All Souls Cemetery.

Leafs Grab Stanley Cup Series Lead

TORONTO (AP) — "Us old warhorses are better in a longer race," said a happy Marcel Pronovost.

The veteran Toronto defenseman was in the Maple Leafs' dressing room, resting up from his club's bruising 3-2 marathon victory over Montreal Tuesday night in the final Stanley Cup playoff round.

Not until Bob Pulford found an almost open net at 8:26 of the second sudden-death overtime did the Leafs win the game that gave them a 2-1 lead in the best-of-7 series for the coveted hockey cup. The fourth game will be played here Thursday.

"I had the whole net to shoot at," said Pulford, noting that Montreal's rookie goalkeeper Rogatien Vachon was on the far side of the goal.

"Pete Stelmowski cleared it out to Jimmy Pappin and I don't know whether he saw me or not, but anyway he knew I should be there and he laid it right on my stick.

"It was the greatest goal of my life."

The clubs ended the regulation three periods tied 2-2. John Ferguson tied it for the Canadiens with 50 seconds left in the second period after Pappin had put the Leafs ahead 2-1 midway through that period.

Jean Beliveau scored in the opening minutes of the game for the Canadiens but Stelmowski tipped in a shot for the Leafs in the same period. After that the long game seemed to affect both clubs.

"We missed a lot of chances," said Ron Ellis of the Leafs. "But you just have to keep shooting and hope they'll go in."

Both Johnny Bower, Toronto's 42-year-old veteran goaltender, and Vachon turned in sterling performances in the net, with Bower picking up 60 saves and Vachon stopping 51 shots.

"We trained all year for this," said Toronto Coach Punch Imlach, who believes there is no substitute for practice and hard work. "I thought the club was getting stronger as we went along." Frank Mahovlich, Toronto forward, agreed, saying,

"We seemed to pick up momentum as the overtime progressed."

Though the game lasted 1 hour, 28 minutes and 26 seconds, it was far from the Stanley Cup record of 2 hours, 56 minutes and 30 seconds set in 1936 when Detroit outlasted the Montreal Maroons 1-0.

Toronto captain George Armstrong said he was tired, "but you always keep going. You get yourself up for the game and you stay with it until it's over — win or lose."

Vachon, in the Montreal dressing room, said he was not disheartened by the loss.

"Next time, it will be my turn," he said.

Mikita Named Most Valuable

TORONTO (AP) — Stan Mikita of the Chicago Black Hawks was named winner today of the Hart Memorial Trophy as the National Hockey League's most valuable player and the Lady Byng Trophy for sportsmanship and superior performance.

Other post-season honors went to Harry Howell of the New York Rangers, chosen the circuit's outstanding defenseman, and Bobby Orr, 19-year-old Boston defenseman, as the rookie-of-the-year. Howell will receive the Norris Memorial Trophy and Orr the Calder Memorial Trophy.

Mikita, a center, is the first player in NHL history to capture three awards in one season. He also won the Art Ross Trophy for leading the league in scoring with a record-equaling 97 points.

Mikita received 168 points in the Hart Trophy voting by hockey writers and broadcasters in the league's six cities. Ed Giacomin, New York Rangers' goalie, was second with 57 points followed by Chicago's Bobby Hull, the MVP the previous two seasons, 21 points.

A combative player during his first seven years in the big league, Mikita was assessed only 12 penalty minutes in 1966-67. He accumulated 145 in the Byng balloting. Dave Keon of Toronto was second with 35 points and Phil Goyette of the Rangers was third with 33.

Miami Is Likely Super Bowl Site

MIAMI, Fla. (AP) — Pete Rozelle, commissioner of the National Football League, conferred with Orange Bowl officials Tuesday and said Miami is strongly being considered for the 1968 Super Bowl football game.

Rozelle met with the Orange Bowl Committee, Mayor Robert King High, and the City Commission.

The first Super Bowl game between the National and American Football League champions was played last January at Los Angeles. Rozelle said a final decision for the 1968 site will be made by a special committee of club owners at a May 23 meeting in New York.

Yesterday's Stars

PITCHING — Al Jackson, Cardinals, pitched a one-hitter — Bob Aspromonte's eighth-inning single in St. Louis' 4-0 victory over Houston.

BATTING — Frank Robinson, Orioles, drove in one run with a sacrifice fly and scored another after hitting a triple in Baltimore's 2-1 victory over California.

Hargan Blanks Twins, Registers Single Run For Second Mound Win

By The Associated Press

Sometimes even the best laid plans go awry. Steve Hargan's did, but he improvised well.

"The last thing I wanted to do was walk Tony Oliva," the Cleveland pitcher said Tuesday night. "I was trying to give him a chance to hit."

But with two out in the ninth and Hargan leading by a 2-0 lead, the Minnesota right fielder did walk.

"I wasn't planning on pitching to Harmon Killebrew in the ninth inning," Hargan said.

Plan or no plan, there at the plate stood the Twins' slugger.

Hargan struck him out.

The 24-year-old right-hander did more than just pitch in picking up his second straight victory — both shutouts. He scored the only run.

With one out in the sixth, Hargan beat out an infield hit, went to third on Vic Davallo's dou-

TRIPLE WINNER for the Escanaba Eskymo track team in the triangular meet with Gladstone and Manistique here Tuesday was Jim Boyle, top, shown in the long jump which he won with a leap of 19 feet 7 1/4 inches. In the bottom photo, Gladstone's William Marmalik is shown winning the mile event in 5:05.5. Pressing him in second place is teammate Ralph Dollhopf. (Daily Press Photos)

Eskymos Win Track Meet

The Escanaba Eskymo edged Gladstone for top honors in the triangular track and field meet Tuesday at the EHS oval, scoring 67 points to 57 for the Braves and 24 for Manistique.

Leading Coach Henry Wylie's triple winner in the long jump high and low hurdles. Paul Miller copped a pair of wins in the sprints and three other Eskymos were single winners.

Gladstone athletes earned five firsts, dominating the distance events for Coach Bob Richards.

Clay's Lawyers Make Last Bid

HOUSTON (AP) — Cassius Clay and his lawyers threw one final desperate punch today in an effort to block the heavyweight champion's induction into the Army Friday.

They went before U.S. Dist. Judge Allen B. Hannay with an appeal that the government be prevented from taking criminal action against Clay until settlement of a lawsuit challenging the Selective Service system.

The suit, a ponderous 67-page document naming the director of Selective Service and 29 others as defendants, was filed Tuesday.

Judge Hannay agreed to listen to Clay's lawyers, Hayden Covington of New York and Quinn Hodges of Houston today.

These talks are to determine whether a formal hearing on the matter should be held before the heavyweight champion is asked to take the oath at 8 a.m. Friday.

also had another double and two single.

Frank Robinson was the key man in Baltimore's victory, driving in a run with a sacrifice fly in the third inning and tripling and scoring on Brooks Robinson's single in the sixth. Tom Phoebus made the two runs stand up, with California scoring only in the seventh.

Joe Spina allowed only five hits while his Detroit mates made the most of the same number of hits in beating Kansas City. The Tigers scored four times in the first inning on three singles and a sacrifice fly and once in the seventh on Dick McAuliffe's homer.

Al Kaline of Detroit extended his hitting streak to 11 games with a single.

A three-run homer by Mike Andrews, solo blasts by Reggie Smith and Tony Conigliaro and Carl Yastrzemski's two-run double powered Boston past Washington.

Aspromonte Joins Ranks Of No-Hitter Wreckers

By The Associated Press

Bob Aspromonte has lined up with oneshot villains Elston Howard and Jim Fregosi on the pitchers union's Unwanted List.

But the Houston third baseman rates a special spot — alongside ex-teammate Joe Amalfitano — on Al Jackson's personal ledger.

Jackson, St. Louis' stylish left-hander, allowed only one hit — a leadoff single by Aspromonte in the eighth inning — as the Cardinals blanked the staggering Astros 4-0 Tuesday night.

It was the third no-hitter in the majors this spring — and the second for Jackson in his seven-year National League career. Each time, he has picked on Houston.

Ellie Rehr of Boston, making his first big league start 11 days ago against New York, held the Yankees hitless until Howard singled with two out in the ninth. Two days later, Baltimore's Steve Barber went into the ninth with a no-hitter against California before yielding a one-out single by Fregosi.

In 1962, Jackson's first year with the New York Mets, the slender sinkerballer fixed a one-hitter against Houston, giving up a first-inning single to Amalfitano before stalling the door.

Aspromonte broke up the no-hit bid Tuesday night with a line shot to left. Otherwise, Jackson who came to St. Louis in a 1965 winter trade and posted a 13-15 record last year, was in complete command. He walked three and struck out three in biking his early-season record to 2-1.

"It was one of my best games because I was in control all the way," he said afterward. "The pressure stopped building after we got the 4-0 lead. Then, the long ball wouldn't have hurt as much."

While Jackson was pinning Houston with its ninth straight

loss, Juan Marichal won for the first time in four decisions, scattering seven hits in the Giants' 6-1 victory over Cincinnati.

In other National League games the New York Mets edged the Chicago Cubs 2-1 in 10 innings. Their rookie Tom Seaver's four-hitter, Pittsburgh whipped Philadelphia 7-3 and Atlanta rocked Los Angeles 7-1.

The New York Yankees battered the Chicago White Sox 11-2. Cleveland nipped Minnesota 1-0. Detroit shut out Kansas City 5-0. Baltimore shaded California 2-1 and Boston whipped Washington 9-3 in the American League.

Catcher Tim Lincecum gave Jackson all the help he needed with a two-run homer off Joe Chris Zachary in the second inning. Lou Brock doubled and scored in the third, then rapped a run-scoring single in the fourth.

Marichal, who held out for a month this spring after compiling a 25-6 mark in 1966, then lost his first three starts, ended Cincinnati's five-game winning streak after pitching out of jams in the second and third innings.

Tony Perez' sixth-inning homer ruined the Giant ace's shut-out bid.

Jim Hart pounded a two-run homer in the first inning, Marichal doubled another run across in the second and the Giants knocked out Cincinnati rookie Gary Nolan with three more in the sixth.

Seaver singled for the Mets in the 10th inning, took second on a sacrifice and third on a wild pitch, and scored the winning run on Al Luplow's single. The Cubs had tied at 1-1 in the ninth when Don Kessinger searched from second on a two-out error by shortstop Ken Harrelson.

Willie Stargell lashed a homer and single drove in four runs and led the Pirates past Philadelphia. Reliever Billy O'Del blanked the Phillies over the last 4-13 innings to earn the victory.

Rico Carty slammed a two-run homer and Mack Jones knocked in two runs with a single and double as the Braves trounced the Dodgers seven hits.

EUGENE, Ore. (AP) — Bob Malkmus, former infielder with the Philadelphia Phillies and Washington Senators, was named manager of the Eugene Emeralds in the Northwest League Tuesday.

Cowboys Sign First Choice

DALLAS (AP) — Phil Clark, 21, defensive back for Northwestern, was signed Tuesday by the Dallas Cowboys of the National Football League. The 6-foot-2 1/2, 211-pound Clark was the Cowboys' first draft choice.

Western Runs String To 10

DE KALB, Ill. (AP) — Western Michigan ran its winning streak to 10 games Tuesday with a double victory over Northern Illinois.

The Broncos, 10-1 for the season, scored a 4-0 win in the first game and came back for a 7-2 triumph in the nightcap which was called after six innings because of darkness.

Eric Hall fired a two-hitter and Clik Brown homered in the opener.

Third baseman Rick Trudeau doubled and tripled to drive in four Western tallies in the second game.

Northern's season mark is 9-9-1.

Additional SPORTS On Page 16

In This Corner

with Ray Crandall

Dan Schram, junior from Gladstone, is expected to lead the Michigan Tech sprinters again this spring. Schram is Coach Rex Benoit's fastest man in the 100 and 220 yard dashes as the Huskies get set for their first meet of the season against Lawrence and Lakeland colleges of Appleton. Highlight of the season will be the Northern Intercollegiate Conference meet at Houghton May 20.

Jim Hodge, senior pole vaulter from Negaunee captured Northern Michigan University's lone first place in the 9th annual Ferris Invitational track meet at Big Rapids. Hodge set a new meet record, and broke the Northern record as well, with a height of 13 feet 4 inches.

The United States Hockey League is studying applications for membership from three cities and will make a decision on expansion at a meeting May 6 in Marquette. Seeking berths in the league are American Soo, Canadian Soo and Minneapolis-St. Paul. Leonard (Oakie) Brum, Marquette Iron Ranger manager, indicates that all three may be granted franchises for next season.

Coach Gerry Parker of Hancock High School is loaded with track and field veterans on his Bulldog squad this spring. Back in the fold for Hancock are four seniors, seven juniors and two sophomores who earned varsity letters last season. Hancock was runnerup to L'Anse in the unofficial point totals for the indoor meet at Northern earlier this spring. One of the stars on the Hancock team is a sophomore, Dick Salani, who set new indoor meet records in the high and low hurdles.

Bee Elegert, bowling in the Housewives League, recently picked up the 2-7-10 split.

Bergland captured the Porcupine Mountain Conference volleyball championship, tripping defending champion Marquette in two straight games in the finals. All eight teams in the conference compete in the sport. It's the only conference in the Upper Peninsula that stages a volleyball tourney.

The Marquette Golf and Country Club is undergoing drastic changes this spring as the course is remodeled to 18 holes. In addition to the nine new holes, a large lake is being built on the course to provide a considerable hazard on the second nine. A watering system will also be installed on all 18 fairways.

New All Events Leader Posted In Keg Tourney

MENOMINEE — Only one new leader was posted in the Upper Peninsula Women's bowling tournament this week as Lorraine Poquette of Marinette took over first place in the all events with a 1773 handicap total.

The leaders after five week of competition:

Big First Inning

Sparma Blanks Kansas City, 5-0

DETROIT (AP)—"I was just leaning back and letting it go as hard as I could," Detroit Tiger Joe Sparma said. "It went pretty good, huh?"

He wouldn't get any argument on that. The dark, handsome right-hander shut out the Kansas City Athletics 5-0 on five scattered hits Tuesday night.

Al Kaline cracked a single in the first inning and ran his hitting streak to 11 games. He also drove in the first run, which was all Sparma really needed to pick up his first victory. He had no defeats.

A walk and an error started Kansas City pitcher Lou Krausse to his downfall. Then Kaline, Jim Northrup and Norm Cash banged singles, each good for an RBI, and Bill Freehan smacked a sacrifice fly that drove in Northrup.

"Getting four runs in the first inning was a big help," Sparma said.

Krausse then held the Tigers hitless until the seventh, when Dick McAuliffe cracked a solo homer, his first.

Sparma, grinning behind a heavy day's growth of whiskers, gloated, "That's the first time I've gone nine innings in a long time. I didn't get tired. Your adrenalin gets going when you're going for a shutout."

Catcher Bill Freehan praised Sparma. "He's getting the feel of how to pitch. He's speeded up everything. He's pitched well and shown that he's a lot different pitcher. He's thinking like a pitcher now. I don't think I've ever caught a guy with a better arm."

Junior High Track Honors To Gladstone

GLADSTONE — Gladstone took top honors in a triangular junior high track and field meet here this week, scoring 76 points to 33 for Rapid River and 3 for Perkins.

Chuck Germain was a triple winner and Mason Thibault took two firsts for the junior Braves while Boyer copped two firsts for Rapid River.

Gladstone will travel to Escanaba for a dual meet May 7.

Individual winners:

60 yard dash - Mason Thibault (G), 7.4

75 yard dash - Gary LeClaire (G), 9.4

100 yard dash - Chuck Germain (G), 11.8

220 dash - Chuck Germain (G), 27.4

100 yard low hurdles - Dave Ottensman (G), 15.0

Shot put - Chuck Germain (G), 37-4 1/2

Pole vault - Boyer (RR), 7-4

High jump - Boyer (RR), 4-6

Long jump - Mason Thibault (G), 14-6

440 relay - Gladstone, 59.0

880 relay - Gladstone, 1:57.4

Sparma was a disappointing 2-7 last year, but Tigers Manager Mayor Smith said, "Joe's been getting better all the time. His fast ball was better in the ninth than it was at the beginning of the game."

Rick Monday singled in the first inning and Kaline played the ball off the wall and threw Monday out when he tried for second.

"That throw was right on the nose," said shortstop Ray Oyler, who put the tag on Monday. "He threw it blind, too. He had his back to me when he started the throw."

Kaline said, "That's all you can do is get the ball and throw. I'm lucky it hit the cement instead of the wire. If it hits the wire it goes right down instead of bouncing back."

It wasn't a good day for Monday. In the 1967's first, he thought Freehan's fly to center was the third out instead of the second and started to run in after he made the catch, so Cash took second. After his first inning hit, Monday struck out three times, on a called third strike each time.

"I sure had him fooled, didn't I?" grinned Sparma.

Aid Walleye Fishing

INDIAN LAKE Property Owners Association is engaged in a walleye hatchery program for the second consecutive year. Some 500 fish have been spawned and a dozen jars of eggs (estimated at 7.3 million eggs) are incubating in the hatchery on the Indian River near the old brewery bridge. Later they will be placed in Indian Lake. About 40 members of the Association are assisting with the project. Cal Steven (left) removes dead eggs from the jars with assistance from Oscar Johnson. (Daily Press Photo)

MANISTIQUE LAKES property owners and fishing promoters near Curtis are engaged in a walleye project designed to improve the sport fishing in the area. This is the fourth year in the program and there have been reports that the number of walleyes is increasing. Walleyes are netted for the eggs — and in the first lot 1,051 walleyes were brought up. (Daily Press Photo)

Rhodes Heads Panax Group

New executive alignment at the Central Michigan publications division of Panax Corp., was announced today by John P. McGoff, Panax president.

Clarence E. Rhodes of Okemos, active for almost 20 years in news and management in the broadcasting end of the Michigan communications industry, has been given added responsibilities by Panax in publications.

Rhodes will assume the duties of vice-president in charge of the Central Michigan Publications Division, which includes the Mt. Pleasant Daily Times-News, The Alma Record, Panax Press offset printing plant in Mt. Pleasant, and Record Printing commercial letterpress plant in Alma.

At the same time, Alfred R. Brandorfer of Mt. Pleasant, who has been managing editor of the Times-News for the past year, has been promoted to editor and will assume broadened executive duties.

Millman On Leave

The changes in Central Michigan result from the impending departure of Richard L. Millman of Mt. Pleasant, who has been granted a leave of absence from Panax to devote his fulltime efforts to the presidential explorations by Gov. George Romney with Romney Associates at Lansing.

Millman has served as Panax vice president for publications as well as publisher of the Times-News and The Record.

Rhodes served briefly as interim editor and publisher of the Daily Times-News in October of 1964 when Panax first purchased the newspaper. He has been a part of Panax Corp. since 1961.

Media Officer

For the past year Rhodes has headed up national advertising sales and market research for all five Panax newspapers in a division known as Panax Media Representatives, operating from the East Lansing Panax headquarters, he will continue to head this national sales effort, in addition to his duties in Central Michigan.

A graduate of Michigan State University, Rhodes has been in the broadcasting business in Michigan since 1947.

Brandorfer, a native of Lansing and graduate of Michigan State University, joined Panax as managing editor of the Daily Times-News in March of 1966, after 14 years as city editor of the Holland Evening Sentinel. He previously worked in Chicago for the National Safety Council and for Universal - International Motion Pictures.

College Publicist

SAULT STE. MARIE (AP) — Denny McPherson, sports editor of the Sault Ste. Marie Evening News since 1963, has been named a publicist for Lake Superior State College.

Clare Gunn To Join Texas A&M

EAST LANSING—Dr. Clare A. Gunn, Michigan State University tourism and recreation development specialist, has resigned to accept a similar position at Texas A&M University beginning next summer.

Gunn is now on leave from the School of Hotel, Restaurant, and Institutional Management and the School of Urban Planning and Landscape Architecture, as a visiting professor of tourism at the University of Hawaii. At Texas A&M he will be professor of tourism and recreation planning and development in the Department of Parks and Recreation.

For the past 21 years, Gunn has been associated with tourism in Michigan. He was the first employed at MSU's tourist and resort extension program in 1945. The format of publications he introduced at that time is still in use.

He is probably best known for his counsel and publications for motel, resort, and private cottage owners in the state. His observations and research have been reported in many national trade publications and professional journals. While at MSU, he co-authored the book, "Motel Planning and Business Management," now used by businessmen and educational institutions throughout the country.

Most recently, he was a project leader for a \$150,000 re-

search-action project for tourism expansion in Michigan's Upper Peninsula sponsored by the Upper Peninsula Committee on Area Progress (UPCAP). Many of the recommendations, now being implemented, are based upon his research and land development concepts.

Early this year his "Guidelines for Tourism and Recreation in Michigan's Upper Peninsula" was given wide distribution. The study summary, co-authored with Dr. Uel Blank is a milestone in long-range planning for the U. P.

A professional landscape architect, Dr. Gunn holds the only Ph. D. in this field in the country. His dissertation research was based upon Michigan's tourism and resulted in a concept for regional tourism development—the first of its kind to be produced.

While in the Michigan Chapter of the American Society of Landscape Architects, Dr. Gunn served as a national trustee from Michigan as well as holding offices in the executive committee. He has long been an exponent of better environmental design for all tourism development.

Dr. Clare Gunn

In Service

SP-4 John Ivan Kobasic has returned to the Overseas Replacement Center, Fort Dix, N.J., after spending a two-week furlough with his parents, Mr. and Mrs. Ivan Kobasic of 1716 Grand Ave. He left Escanaba Monday. He will leave Fort Dix soon to a new assignment with the armed forces in Frankfurt, Germany.

Peter R. Ladouceur, son of Mr. and Mrs. W. D. "Pete" Ladouceur of 1506 S. 17th Ave., who is stationed with the 6th USA Medical Research Laboratory in Fort Baker, Sausalito, Calif., has been promoted to Specialist 4, Non-Commission Officer, Jr. Grade. He has been in the service since July 1, 1966.

BIDS WANTED

The Board of Education of the Escanaba Area Public Schools will receive sealed bids on or before 4:00 p. m. Friday, May 5, 1967 for the purchase and installation of 2 natural gas burners at the Soo Hill and Wells Elementary Schools. Specifications may be obtained from the Business Office, 1219 No. 19th Street, Escanaba, Michigan. Bids are to be delivered to the Business Office at the above address. The Board of Education reserves the right to reject any or all bids.

Nobody's got a family plan like Chevrolet.

And in the spirit of all family plans, you get more for your money.

Plan I—Impala Sport Sedan (foreground)—First off, Chevrolet is the roomiest car in America (source: Automotive News 12/26/66). Second, it's got exclusives like acrylic lacquer finish and Body by Fisher. Third, you get Chevrolet's traditional high resale value. Three reasons why Chevrolet is selected by more

families than any other car. Plan II—Camaro Sport Coupe (rear left)—The widest, lowest, heaviest adventure car at its price. Comes with bucket seats, carpeting, a fully synchronized 3-speed transmission, and a big Six competition can't match.

Plan III—Chevy II Nova Sport Coupe (rear right)—Nobody's

been able to copy the six-cylinder efficiency or protective features like flush-and-dry rocker panels you get in our stylish economy car.

Plans IV, V and VI—Chevelle, Corvair, Corvette (not pictured)—You can see them all at your Chevrolet dealer's. Stop in soon. Bring the family.

Chevrolet's outstanding worth is another reason you get
that sure feeling
